Parenting Is Heart Work Scott Turansky, Joanne Miller, 2005-10 The authors reveal with Christian ideas how you can truly reach your child's heart to teach, train and build a tremendous relationship Page 4 of cover **Parenting Is Heart Work**

Dr. Scott Turansky, Joanne Miller, 2011-05-01 If you're like most parents you have developed your own parenting strategy sometimes it seems to work and other times based on the way your child behaves you wonder if it's working at all There are countless ways to try to get a child's attention and to effect change but here's the truth unless you deal with a child through his or her heart you are not likely to see lasting change In this breakthrough book Dr Scott Turansky and Joanne Miller RN BSN reveal how you can learn to truly reach your child's heart to teach, train and build a tremendous relationship *Parenting is Heart Work* gives you the practical tools an easy to follow steps that will revolutionize how you Turn Correction times into learning experiences Equip your children to accept responsibility for their mistakes and meditate on the right things Influence and adjust the values and beliefs your children hold Maintain relationship with your children through love and emotional connectedness *Decolonizing Inclusive Education: Centering Heartwork, Care, and Listening* Keith,

Erin, 2024-05-07 Inclusive education faces a critical challenge rooted in an outdated paradigm that treats students as fixer upper projects rather than recognizing their holistic needs The prevalent toolbox approach governed by frameworks like MTSS and RTI tends to prioritize immediate academic gains neglecting the intricate tapestry of students' identities, cultural nuances and unique strengths This myopic strategy fails to foster sustained growth and well-being, undermining the true potential of inclusive education Addressing this pervasive issue *Decolonizing Inclusive Education: Centering Heartwork, Care and Listening* provides a groundbreaking solution By shifting the focus to heartwork, care and listening the book pioneers a decolonizing praxis in inclusive education It challenges the prevailing tool-centric model and advocates for an approach that embraces the diverse identities, funds of knowledge and cultural understandings of students The book delves into topics such as classroom stories, engaging families, funds of knowledge and decentering whiteness offering a comprehensive guide to transform inclusive education into a space that not only acknowledges but celebrates the holistic well-being and growth of every student **Parenting by Heart** Ron Taffel, Melinda Blau, How do you help your child open up to you With so little

time in a busy day how can a parent find that elusive quality time What discipline techniques work for young children and why An empowering book that emphasizes real life parenting situations and practical, compassionate solutions *Parenting by Heart* is filled with specific advice tried by thousands of families Showing what actually works rather than what theoretically should work here are hundreds of step by step tested solutions that will help make parents feel more confident about how to instill values, be in charge and stay connected with today's kids in these modern and often difficult times **Keys to**

**Parenting a Child with Down Syndrome** Marlene Targ Brill, 1993 Offers parents and guardians of these children sound advice on managing healthcare, dealing with siblings, coping with finances and choosing education, recreation, adult living and

employment options      Help For Parents! Maximized Parenting, 112 Solutions to the Parenting Problems of Today Francis Edo Olotu ,Catherine Olubukunola Olotu,2014-02-24 Effective parenting is about raising well adjusted children who are assets to society Maximized Parenting is a book which promotes effective parenting through equipping parents with the knowledge that fosters proper foundation for parenting According to Partnership for 21st Century Skills 2006 and American Management Association s AMA 2010 Survey many employers believe that higher education is failing in its role to adequately develop needed skills in students Parents with the help of this book can bridge the knowledge gap between what higher education provides and what the employment industry requires The book is for parents who consider parenting as one of their most important responsibilities in life One of the greatest assets a child could have is dutiful parents from whom he she learns the act of parenting Parents without this privilege are large in number and to them parenting is a dark continent which they find difficult to navigate This book is written to inform inspire and impart knowledge about parenting in the 21st century The book would enable parents interact with their children in a way that would motivate them to be outstanding persons in life In this information age you cannot limit your child to how you were brought up or what you know because he she was born in another era The gamut of issues covered in this book will equip you to bring up your child to be successful in life Issues treated in this book will help you know healthy parenting methods that are best for your child The book contains a very broad mix of issues a parent would encounter at every stage of a child s life It is written from the perspective that a parent s job is for life and as such parents need help to sustain their long term commitment to their children Issues covered include character building instilling moral values into children basic life skills at every stage of life sexuality education and handling children with special needs While the information in this book is specifically for parents the information would be useful to fathers groups men s groups women s groups grandparents extended family members and childcare providers that have opportunities to relate to children Research now and again has shown that a family is more important to a child s school success than how much money the family makes or how much education the parents have No parent who has read this book should ever ask How can I make my child a success in life The social commentator Michael Novak wrote on the importance of family One unforgettable law has been learned through all the disasters and injustices of the last thousand years if things go well with the family life is worth living when the family falters life falls apart The goal of Maximized Parenting is to fill the knowledge gap in you that will make you a better parent as well as an inspiration to other parents of the 21st century Choose to be an intentional parent who will put in the needed time energy and efforts to raise successful children Know that expensive toys and vacations are a poor substitute for the valuable time you need to spend with your children Refuse to outsource your parenting duties to care givers and boarding schools and you will be a stakeholder in the next generations through your children who will pass on your legacies Remember when a parent dies one thing that cannot be buried with him her is his her impact on the lives of his her children those things become a living memorial in his her children      **Parenting**
