

# The Color Blue

Blue, oh blue, the color of the sea,  
A hue so calming, it sets our hearts free.  
It's the color of the sky on a clear day,  
And the shade of the water that flows away.

From the deepest depths to the highest peaks,  
Blue is a color that nature often seeks.  
It's the color of the birds that soar up high,  
And the color of the butterfly that flutters by.

Blue is a color that's cool and serene,  
It's a shade that's often associated with clean.  
It's the color of trust, loyalty, and peace,  
And a hue that brings all our worries to cease.

So let's cherish this color, so pure and true,  
And let it fill our lives with its calming hue.  
For blue is a color that's here to stay,  
And it'll keep bringing us peace, day after day.

**Parting Blue** Caroline Adele O'brien,2014-02-12 If blue were a dream would it speak to you Would it silence your eyes and open your soul without shattering it If blue were a penny would you spend it Or would you tuck it away in the earth beneath the tinsel tree for safekeeping If blue were a song would it echo off your bones Beware the blue that masquerades as wings for it just might slam you into a mountainous cave engraved to chisel away at your form with a bat Beware the blue that erupts plasma for it just might blanket ash until you're stone Beware the blue blue chasm that sulking rainbow shard for it's a storm that takes breaks and consumes in waves Let us part that blue Pull back the curtains and see what really lies behind the masked cobalt shadows Trudge with me into the blue But not too deep or you may find yourself IN THE DARK Alone in my room The curtains twist in the wind I swear the chilled air has thinned Curling up with doom Something creeps along the hall Can hear its breath through the wall Caroline Adele O'Brien *Love Poems of Three Centuries* Jessie Fremont O'Donnell,1890
