The Handbook of Fashion Law, 2025-02-12 Over the past few years fashion law has emerged as a vibrant field of inquiry. The legal and policy issues affecting the fashion sector have been investigated with increasing intensity while a growing number of private practice lawyers and in house counsel regard themselves as practising fashion law. But what is fashion law? And what are the specific legal challenges facing the fashion sector as well as related solutions? The Handbook of Fashion Law seeks to answer these questions by bringing together multiple voices, approaches and jurisdictions. Its contributions are organized into four thematic areas. Part I considers the legal infrastructure of the fashion and luxury industries, addressing issues related to intellectual property, IP, as well as the demands of the circular economy, protection of cultural heritage and freedom of expression and information. Part II maps the IP dimensions of fashion by reviewing the application of design rights, copyright, trade marks, geographical indications, plant variety rights and trade secrets. Part III analyses specific contractual issues arising in the fashion sector. It examines the application of principles and rules found in regulatory frameworks, including those governing advertising, competition, consumer and tax laws. Finally, Part IV dissects and evaluates the role of new and emerging technologies in the fashion sector from a legal perspective. It considers concepts such as e-commerce, 3D printing, counterfeiting, artificial intelligence, non-fungible tokens, NFTs, the metaverse, gaming and wearable technology. The Handbook of Fashion Law offers readers a multidisciplinary and multijurisdictional understanding of legal challenges facing the fashion sector. Bringing together a diverse range of experts, its contributions offer readers an in-depth critical and strategic understanding of the fashion industry's legal intricacies.

Unveiling Social Dynamics and Community Interaction in the Metaverse Gupta, Brij, 2025-04-16 As the metaverse transforms social dynamics and community interactions, security becomes essential to fostering trust and meaningful engagement in virtual spaces. Protecting users from threats like identity theft, harassment and misinformation is crucial to maintaining safe and inclusive digital communities. The intersection of security and social interaction influences how people form relationships, collaborate and express themselves in virtual environments. Strong security frameworks help prevent exploitation while enabling positive social experiences, ensuring that digital communities can thrive without fear of manipulation or harm. By addressing these challenges, metaverse security plays a key role in shaping the future of online socialization and digital citizenship. *Unveiling Social Dynamics and Community Interaction in the Metaverse* explores the intersection of security and social dynamics in the metaverse, examining how digital trust, identity protection and community safety shape virtual interactions. It provides insights into emerging threats, ethical considerations and strategies for fostering secure and inclusive virtual environments. Covering topics such as community detection, fake review detection and affective computing, this book is an excellent resource for cybersecurity professionals, metaverse developers, policymakers, technicians, researchers, professionals, scholars, academicians and more.

New Business Frontiers in the Metaverse Inder, Shivani, Dawra, Shuchi, Tennin, Kyla, Latrice, Sharma,

Sandhir,2024-05-13 The metaverse has emerged as an influential force beckoning entrepreneurs to navigate uncharted territories Platform and gaming companies strategically position themselves to take advantage of the metaverse's potential indicating that this shift transcends mere trendiness The metaverse isn't confined to the realms of conceptuality or viral discussions anymore it signifies a monumental revolution poised to reshape society and humanity at large As entrepreneurs fervently adopt artificial intelligence an unprecedented wave of creativity ensues redefining the very fabric of business Yet with this surge comes a cascade of myths and challenges that shape the metaverse's entrepreneurial landscape spanning technological intricacies cultural dynamics and ethical considerations The book titled *New Business Frontiers in the Metaverse* aims to demystify the metaverse's complexities Moving beyond the speculative buzz surrounding the metaverse the book unfolds as a dynamic exploration of the relationship between entrepreneurship and this digital frontier By addressing the myths and challenges head on it seeks to provide a comprehensive understanding of the dimensions that entrepreneurs will confront in the metaverse Through an exploration of integrated technologies like NFTs Web 4.0 augmented reality virtual reality and mixed reality the book offers a unique perspective on how these innovations intertwine to shape the metaverse's entrepreneurial landscape

[Netflix, Dark Fantastic Genres and Intergenerational Viewing](#) Djoymi Baker,Jessica Balanzategui,Diana Sandars,2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including *Stranger Things* *A Series of Unfortunate Events* *The Dark Crystal Age of Resistance* and even *Squid Game* The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies
