

Opening Remarks para sa araw ng pagtatapos

Sabi nga ni Walt Disney, kung gusto mong matupad ang pangarap mo pagpursigihan mo ito para ito ay matupad.

Isang Pinagpalang Araw sa inyong lahat, Sa Butihing Punong Guro ,sa mga guro, magulang at kapwa kong mag-aaral na magsisipagtapos. Ito ang 2021 Graduation Ceremony. Salubingin natin ito ng may ngiti at positibong pananaw.

Isang malaking karangalan at oportunidad para salubungin kayo ngayon sa importanteng okasyon kung saan matutunghayan ang magsisitapos ng batch 2020-2021 ng Ika-labindalawang. Hindi man tayo nagsama-sama ngunit hindi tayo patitinag at may paraan kaya't ang okasyon na ito ay Virtual na matutunghayan.

Itong pag-aaral na ito ay sinubok tayo, tila biglang nagbago ang lahat ng dahil sa pandemya yung dating gawi natin hindi na tulad dati sa una inisip ko hindi madali ang pag-aaral ngayon ngunit napagtagumpayan naman natin. Ito tayo ngayon makikita ang mga pangalan sa anim taon sa highschool na ating minimithi. Laking pasasalamat namin sa mga guro at magulang na nagturo at sumuporta upang maabot namin ito.

Nawa ay gabayan tayo ng maykapal para saating panibangong hamon sa buhay na dalin tayo patungo sa ating minimithi.

Today is our milestone. A beginning of our success. This will be the proof how far we've learning and fighting for our dreams. Workhard. Keep Learning. Pursue your dreams.

Again, I welcome all of you to your success. Congratulations to all of you!

Tagalog Reference Grammar Paul Schachter, Fe T. Otanes, 1983-01-01 *Beginning Tagalog* Philippine Center for Language Study, 1965-06 A comprehensive one year introductory textbook for Tagalog the language spoken in the Philippines *Beginning Tagalog* has been designed to meet the specific needs of adult native speakers of English who wish to learn spoken Tagalog though students with other language backgrounds may be able to follow the course with profit With fairly intensive class scheduling and assuming laboratory assignments and home study the text can be covered in one academic year The text is designed to accomplish two aims The first is to impart oral control of Tagalog and by means of an acquaintance with the major patterns of the language to provide the means for additional independent study that will lead to a full mastery of the structures and a vocabulary that is sufficiently broad to meet the needs of most students The second aim is to provide accurate up to date information about the patterns of Filipino culture that will enable a student to understand the social customs standards values and aspirations of the Filipino people in order to prepare him for sympathetic enlightened and useful participation in the context of Filipino society The text consists of 25 units and appendices In the first half of the text the student plays the part of hearer and speaker with only incidental reading of oral dialogs and drills From Unit XIII on there is a reading section designated for each unit correlated with the primarily spoken materials but designed to promote facility in the orthography and distinctive patterns of the written language The basic format is as follows A Basic Dialog B Cultural and Structural Notes C Pronunciation Exercises to Unit XIII D Drills and Grammar E Cumulative Drills F Visual Cue Drills G Comprehension Response Drills H Readings from Unit XIII **Morphologie** G. E. Booij, Christian Lehmann, Joachim Mugdan, 2000 This series of HANDBOOKS OF LINGUISTICS AND COMMUNICATION SCIENCE is designed to illuminate a field which not only includes general linguistics and the study of linguistics as applied to specific languages but also covers those more recent areas which have developed from the increasing body of research into the manifold forms of communicative action and interaction For classic linguistics there appears to be a need for a review of the state of the art which will provide a reference base for the rapid advances in research undertaken from a variety of theoretical standpoints while in the more recent branches of communication science the handbooks will give researchers both an overview and orientation To attain these objectives the series will aim for a standard comparable to that of the leading handbooks in other disciplines and to this end will strive for comprehensiveness theoretical explicitness reliable documentation of data and findings and up to date methodology The editors both of the series and of the individual volumes and the individual contributors are committed to this aim The languages of publication are English German and French The main aim of the series is to provide an appropriate account of the state of the art in the various areas of linguistics and communication science covered by each of the various handbooks however no inflexible pre set limits will be imposed on the scope of each volume The series is open ended and can thus take account of further developments in the field This conception coupled with

the necessity of allowing adequate time for each volume to be prepared with the necessary care means that there is no set time table for the publication of the whole series Each volume will be a self contained work complete in itself The order in which the handbooks are published does not imply any rank ordering but is determined by the way in which the series is organized the editor of the whole series enlist a competent editor for each individual volume Once the principal editor for a volume has been found he or she then has a completely free hand in the choice of co editors and contributors The editors plan each volume independently of the others being governed only by general formal principles The series editor only intervene where questions of delineation between individual volumes are concerned It is felt that this *modus operandi* is best suited to achieving the objectives of the series namely to give a competent account of the present state of knowledge and of the perception of the problems in the area covered by each volume The Philippine Republic ,1928 Filipino Gems of
