Their eyes lit up every time they jumped, collected coins or ran from hazards. They laughed, shouted ideas and shared tips with each other. I watched them play, fascinated by their creativity and engagement. One day, it clicked. If they could spend so much time playing, why couldn't we create a game together? A game that could be fun, interactive and maybe even profitable. I realized this was an opportunity to learn to build and to explore the world of Roblox development alongside my kids.
