Murder in Jerusalem Batya Gur, 2009-10-13 The sixth and final novel from beloved and critically acclaimed Israeli crime novelist Batya Gur a stunning tale of a beautiful and secretive woman's murder set against the politically charged backdrop of the Israeli media Acclaimed Israeli director Benny Meyuhas film production of the heartbreaking work Iddo and Eynam promises to be a landmark of Israeli film until his wife and the film's set designer Tirzah Rubin is crushed under a set piece stalling the production indefinitely But more shocking is what comes to light in the investigation that Tirzah's storybook life wasn't at all what it seemed and that her death may have been part of a larger network of social and political unrest The brooding Chief Superintendent Michael Ohayon has spent his career surrounded by horrific crimes but perhaps none more deeply disturbs him than Tirzah's murder its strange connection to Israeli labor disputes and religious corruption shaking him to the core The crowning achievement to a magnificent career this final installment in the Michael Ohayon series is a wonderful parting gift from the incomparable Batya Gur one last fascinating visit to an always tumultuous land in the company of a detective the author and her devoted readers have loved so well
