**The Fault Lines of Farm Policy** Jonathan Coppess, 2018-12-01 At the intersection of the growing national conversation about our food system and the long running debate about our government's role in society is the complex farm bill American farm policy built on a political coalition of related interests with competing and conflicting demands has proven incredibly resilient despite development and growth In *The Fault Lines of Farm Policy* Jonathan Coppess analyzes the legislative and political history of the farm bill including the evolution of congressional politics for farm policy Disputes among the South the Great Plains and the Midwest form the primordial fault line that has defined the debate throughout farm policy's history Because these regions formed the original farm coalition and have played the predominant roles throughout this study concentrates on the three major commodities produced in these regions cotton wheat and corn Coppess examines policy development by the political and congressional interests representing these commodities including basic drivers such as coalition building external and internal pressures on the coalition and its fault lines and the impact of commodity prices This exploration of the political fault lines provides perspectives for future policy discussions and more effective policy outcomes

**The Rhetoric of Food** Joshua Frye, Michael Bruner, 2012-10-02 This book focuses on the rhetoric of food and the power dimensions that intersect this most fundamental but increasingly popular area of ideology and practice including politics culture lifestyle identity advertising environment and economy The essays visit a rich variety of dominant discourses and material practices through a range of media channels and settings including the White House social movement rhetoric televisual programming urban gardens farmers markets domestic and international agriculture institutions and popular culture Rhetoricians address the cultural political and ecological motives and consequences of humans strategic symbolizing and attendant choice making visiting discourses and practices that have impact on our species in their producing distributing regulating marketing packaging consuming and talking about food The essays in this book are representative of dominant and marginal discourses as well as perennial issues surrounding the rhetoric of food and include macro meso and micro level analyses and case studies from international neoliberal trade policies to media and social movement discourse to small group and interactional dynamics This volume provides an excellent range and critical illumination of rhetoric's role as both instrumental and constitutive force in food representations and its symbolic and material effects

**The Canadian Environment in Political Context, Second Edition** Andrea Olive, 2019-08-20 *The Canadian Environment in Political Context* uses a non technical approach to introduce environmental politics to undergraduate readers The second edition features expanded chapters on wildlife water pollution land and energy Beginning with a brief synopsis of environmental quality across Canada the text moves on to examine political institutions and policymaking the history of environmentalism in Canada and other crucial issues including Indigenous peoples and the environment as well as Canada's North Enhanced with case studies key words and a comprehensive glossary Olive's book addresses the major environmental concerns and

challenges that Canada faces in the twenty first century      **U.S. Food Policy** Lisa Markowitz, John A. Brett, 2013-09-13 Inequity of control over food systems is a particularly insidious form of injustice Collectively the contributors to this volume posit that this inequity is rooted in power asymmetries in the U S food system and codified through U S food policies This process puts the public at risk in the U S and via trade and foreign aid policies in the Global South Inequities are manifest in the allocation of food and food producing resources in favor of the wealthy exploitation of the natural environment for short term gain of private interests over long term public ones the framing of public discussion on food and food deprivation and finally the deflection of moral challenges posed by human rights to food The contributors draw on long term anthropological field research to examine these tensions and their on the ground outcomes in diverse cultural and national contexts The authors insightful analyses span a wide variety of topics including dietary change food insecurity livestock production and organic farming in the light of U S trade food labor and agricultural policies and food assistance programs The collection highlights the obstacles to and the dilemmas and inconsistencies in shaping policy in the public interest This book was originally published as a special issue of Food Foodways      Global Politics as if People Mattered Mary Ann Tétreault, Ronnie D. Lipschutz, 2009-05-16 Now in a fully updated and revised edition this concise and engaging text introduces global politics and international relations with an emphasis on the social individual Using practical examples as well as theory the authors show students how they can take charge of their lives and the politics that affect them even in the context of a vast global economy and impersonal international forces that sometimes seem out of control Filled with idealism yet firmly grounded in current realities Global Politics as if People Mattered is a fresh take on the proper place and potential of individuals in world politics front and center actively engaged in a way of life that is as politically personal as it is politically powerful      **Seed Savers ... Yearbook** ,2006      *The Conference Board Review* ,2006      *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 2007      *Strange Places* Alexandra Kogl, 2007-12-05 *Strange Places The Political Potentials and Perils of Everyday Spaces* offers a conceptual framework for thinking politically about place and space in an era in which globalization seems to be destabilizing places and transforming spaces at an unprecedented rate and scale Responding critically to the tendencies within contemporary political theory to dismiss places as inherently confining spaces author Alexandra Kogl explores the roles that places play in supporting a democratic politics of efficacy and resistance Using concrete examples and cases this interdisciplinary work is accessible to a broad scholarly audience including political theory urban affairs geography and sociology scholars      **The Book Review Digest** ,2006      The New York Times Index ,2009      Climate Change Brian C.
