*The Way Back* Paul Huyghebaert,2022-05-19 There is a lot at stake as it pertains to correctly understanding and teaching God s call to repent God makes amazing promises about what He will do when his people truly live in repentance Perhaps nowhere else in the Bible is this promise so clear as in Acts 3 19 NASB Therefore repent and return so that your sins may be wiped away in order that times of refreshing may come from the presence of the Lord Repentance brings forgiveness from sins but there is also a second promise attached to repentance the presence of God As you read this book you ll consider questions such as Who does the Bible say God is What does God think of you What is the source of our understanding between right and wrong How can we incorporate the majesty of the Creator into daily life

Other topics include how we take for granted the relationship God has offered us why we should embrace a posture of humility and the meaning of true repentance The Way Back walks readers through a progression that illuminates why true biblical repentance is at the heart of what it means to walk with God
