himself In A Story Goes with It Garrett fondly remembers an old friend while retelling a story the man once told him Most of it is probably not accurate as Garrett is quick to admit but the mixture of fact with fiction makes for an entertaining read His stories turn like the sharp curves of a mountain road abruptly changing from a fond trip down memory lane to a sleazy reporter s quest along the backroads for the ultimate crime story in Pornographers He tops off his collection with A Short History of the Civil War a series of poems written by two participants one a Confederate the other a Yankee In the marriage of fact and fiction of comedy and pathos and the music of many voices the stories of Empty Bed Blues reconfirm the judgment of novelist and story writer Richard Bausch who said in 1998 There is no writer on the American scene with a more versatile more eclectic or more restless talent than George Garrett *The Oxford Companion to the American Musical* Thomas S.
