

A vibrant collage on a blue grid background. At the top left, a man with glasses and a beard holds a large green pencil. Next to him is a hot air balloon with pink and white stripes. To the right, a woman with dark hair and a striped shirt is partially visible. Below her is a purple and teal abstract shape. In the center, the title "Nobody Asked" is written in large white letters. To the right of the title is a framed portrait of a man with glasses and a heart symbol. At the bottom left, a man in a white shirt with a soccer ball graphic is next to a large brass instrument. In the center bottom, a man with long hair and a beard wears a top hat. To his right, a woman with brown hair is smiling. At the bottom right, there is a large number "8" on a piece of paper, a ruler, and a CD. Various other elements like a paperclip, a pushpin, and a graph are scattered throughout.

,1897 Creativity and Children's Literature Marianne Saccardi,2014-07-31 Today s students need to be able to do more than score well on tests they must be creative thinkers and problem solvers The tools in this book will help teachers and parents start students on the path to becoming innovative successful individuals in the 21st century workforce The children in classrooms today will soon become adult members of society they will need to apply divergent thinking skills to be effective in all aspects of their lives regardless of their specific occupation How well your students meet complicated challenges and take advantage of the opportunities before them decades down the road will depend largely upon the kind of thinking they are trained and encouraged to do today This book provides a game plan for busy librarians and teachers to develop their students abilities to arrive at new ideas by utilizing children s books at hand Following an introduction in which the author defines divergent thinking discusses its characteristics and establishes its vital importance chapters dedicated to types of literature for children such as fantasy poetry and non fiction present specific titles and relevant activities geared to fostering divergent thinking in young minds Parents will find the recommendations of the kinds of books to read with their children and explanations of how to engage their children in conversations that will help their creative thinking skills extremely beneficial The book also includes a case study of a fourth grade class that applied the principles of divergent thinking to imagine innovative designs and come up with new ideas while studying a social studies science unit on ecology

Around My World Jason Thiessen,2012-07 In life we are occasionally faced with detours Some of them are thrust upon us just when we think we have life all figured out Sometimes however they are self created We choose to take them driven by some inner desire or passion Author Jason Thiessen s extraordinary adventure was just such a detour borne of the dreams of

a young boy with only an atlas as his guide to an unseen world Nearly thirty years after those dreams began they became a reality Thiessen a man with a wife a career and a mortgage set out on a journey of discovery to find purpose and meaning while attempting to answer lifelong questions His detour from an otherwise traditional life path took him to South America Africa the Middle East Europe India Southeast Asia and Australia ultimately traveling twice the distance of the circumference of the earth Just as his adventure brought him from the heights of the Andes to the depths of the Dead Sea so too did Thiessen take an emotional journey from feelings of excitement fulfillment and joy to those of anger frustration and despair Around My World A Detour on Life s Journey tells a story for anyone who is on their own journey to reconcile modern day pressures and realities with the insights that world travel can bring to one s life Dukesborough Tales Richard Malcolm Johnston,1883 *Hans Christian Andersen's Stories for the Household* Hans Christian Andersen,1893 Joe Rosenblatt Reader Joe Rosenblatt,1998-11-26 **The Mystic Policeman** James Patrick O'Neill,1987 **Fibre & Fabric** ,1891 *Arctic Ablaze* Kayy Gordon,Lois Neely,1990 Report[s], [minutes of Evidence, Indexes, Answers to Questions].
