**Parental Control** Titania Jordan, 2025-03-10 Practical strategies and tips to help raise and teach children in a digital first world. In Parental Control A Guide to Raising Balanced Kids in the Digital Era Titania Jordan a renowned internet and social media safety specialist tackles the urgent dilemmas of modern parenting head on. As technology increasingly engulfs the lives of our children this book emerges as a beacon for those looking to guide, protect and connect with them in meaningful ways. Navigating the complex digital landscape Jordan delves into the effects of social media and the internet on our kids. She uncovers the challenges of balancing screen time with real life interactions and the erosion of offline social skills due to digital immersion. Yet it's not all dire. Jordan's expert insights offer a pathway to turning potential digital pitfalls into educational opportunities. The book will help you learn how to educate and empower the next generation to navigate the internet safely and responsibly. Discover actionable advice on setting boundaries, fostering offline interactions and promoting healthy digital habits. Benefit from the latest internet safety data trends and tips to keep your children protected in the digital age. Perfect for parents, educators, and caregivers. Parental Control is more than just a book. It's a roadmap to raising well-adjusted children in a technology-driven world. This guide provides the tools you need to ensure technology complements the lives of those you care about rather than consuming them. If you're looking to navigate the challenges of modern-day parenting with confidence and create a safe, balanced digital environment for your children, then this book is for you.

**Finance 101 for Kids** Walter Andal, 2021-10-13 Book 1 of 2 Series How do we equip the next generation with money management skills that they can carry forth into their adult lives? One of the most important lessons that you can teach your kids is how to handle their money. Unfortunately, for most parents, giving their kids a sound financial education is an afterthought at best. Frustrated by the lack of resources that apply the concept of finance to real-life situations for his own children to learn from, author Walter Andal was inspired to create an informative and entertaining book to help children get on the right path to making smart personal financial decisions. In Finance 101 for Kids, children and parents will explore: How money started, How to earn and make money, Saving and investing, What credit is and the dangers of mishandling credit, What the stock market is, Economic forces that can affect personal finance, What currencies and foreign exchanges are, The importance of giving back to the community, And much, much more.
