Metaversed Luis Bravo Martins, Samantha G. Wolfe, 2022-12-22 Understand the coming metaverse and discover how to look past the hype and harness the future of technology. Metaversed is an insightful discussion and analysis of the next rapidly approaching technological revolution. The authors deliver a compelling new exploration of how the metaverse and emerging technologies combine to define our collective future. In addition to identifying the business opportunities, the book pulls back the curtain on major safety and privacy issues that will arise and the expected shifts in both our private and social spheres. In the book, you'll understand how multiple industries will be changed and challenged in a 3D spatial world and how to navigate the future crypto-laden business landscape. Legal and policy considerations necessary to build and maintain safe, shared digital spaces. The economic and social impacts, including the potential for our digital lives to outlive our physical selves. Actionable insights so you can make the most out of the next digital revolution. Metaversed is a can't miss presentation of the most significant market opportunities and societal challenges posed by the metaverse. It also will empower readers to take positive action that avoids the same online mistakes that happened on social media and create more responsible tech usage habits in our personal and professional lives

The New Age of Sexism Laura Bates, 2025-05-15 Laura Bates explains how they built the future and forgot to put women in it. CAITLIN MORAN Fascinating and essential. I urge you to read every syllable. JO BRAND All men must read this book if they have any interest in a truly just, fair, and equal society. ROBIN INCE AI is here bringing a seismic shift in the way our society operates. Might this mean a future reimagined on equitable terms for women and marginalised

groups everywhere Not unless we fight for it At present power remains largely in the hands of a few rich white men New AI driven technologies with misogyny baked into their design are putting women in danger their rights and safety sacrificed at the altar of profitability and reckless speed In The New Age of Sexism Sunday Times bestselling author and campaigner Laura Bates takes us deep into the heart of this rapidly evolving world She explores the metaverse confronts deepfake pornography travels to cyber brothels tests chatbots and hears from schools in the grip of online sexual abuse showing how our lives from education to work sex to entertainment are being infiltrated by easily accessible technologies that are changing the way we live and love What she finds is a wild west where existing forms of discrimination inequality and harassment are being coded into the future we will all have little choice about living in unless we seize this moment to demand change Gripping courageous and eye opening The New Age of Sexism exposes a phenomenon we can t afford to ignore any longer Our future is on the line We need to act now before it is too late Urgent reading for anyone who is interested in the intersection of tech and gender equality and indeed anyone who wants to be a part of building a better future free from misogyny EMMA LOUISE BOYNTON A brilliantly researched incredibly illuminating and frequently chilling account of the next chapter in tech s ongoing assault on our core values A chapter that is already unfolding around us all JAMES O BRIEN
