Winifred Aldrich,1985 **Metric Pattern Cutting for Children's Wear and Babywear** Winifred Aldrich,2012-06-27 This

fourth edition of Metric Pattern Cutting for Children's Wear and Babywear remains the standard text book but has three major improvements First the sections have been re organised to reflect changes in producing and marketing children's clothes Today's popularity of easy fitting styles and knitted fabrics means that basic flat pattern cutting is used to construct the majority of children's wear and babywear and this type of cutting is therefore emphasised in this new edition Shaped blocks and garments cut to fit the body form are still included and are placed in chapters covering some school uniform garments or more expensive fashion or formal clothes The book now clearly separates the sections useful to student beginners Parts One Two and Three and also offers more advanced or specialist sections for students who wish to pursue a career in children's wear or for designers working in the different manufacturing sectors of the trade The second change in this fourth edition is the introduction of colour coding to the sections this makes it easier to identify specific processes in the book and enhances the illustrations Finally the size charts have been revised to reflect the changes in body sizing The clear division of the boys and girls measurements in the charts has been in response to the way clothes are marketed and to co

ordinate with European size charts Plus charts for heavier children have also been added *Metric Pattern Cutting for Children's Wear* Winifred Aldrich,1991 L rebog om de grundl ggende principper for m nsterkonstruktion og tilsk ring

Metric Pattern Cutting Epz Edition Aldrich,2008-11 **Metric Pattern Cutting for Children's Wear and Babywear**

**Epz** Aldrich, Metric Pattern Cutting for Children's Wear and Babywear Winifred Aldrich,1999-09-15 Hundreds of stylish illustrations and clear concise instructions are used to illustrate this flexible system of pattern cutting offering both students and designers the means to achieve original well cut designs The children s clothing market has changed remarkably during the last decade and this standard work has been totally revised and rewritten to reflect new developments including the increasing importance of knitted fabrics and the fashion consciousness of today s mothers **Metric Pattern Cutting for Menswear** Winifred (The Nottingham Trent University) Aldrich,2011 Since the first edition was published in 1980 Metric Pattern Cutting for Menswear has become established as the standard work on this subject and has proved invaluable as both a textbook for students and a reference source for the practising designer In this fifth edition the chapter on computer aided design now has full colour illustrations and reflects the growing importance of CAD to the industry and as a part of fashion and design courses The rest of the book has been updated where necessary in particular new blocks for tailored shirts new details on how to adapt mens blocks for womens wear and a revision of sizing and labelling information Colour is now used to differentiate the main groups of patterns and with its tried and tested layout with clear text and diagrams Metric Pattern Cutting for Menswear is an essential purchase for students of fashion and design
