**The Role Of The Holy Spirit In Worship** H. Eugene Soulsby,2019-12-02 Christianity does not deny the Holy Spirit s existence and most Christians would confess they believe in the Spirit at least with their head and creed But few experience him in their daily walk or have a biblical understanding of who he is why he came and what his role is in the Christian life The Holy Spirit is a living presencea personand as such must be experienced not neglected within the church and the individual believer The crucial role of the Spirit in Paul s life thinking and theology was always that of the personal presence of God As a Christian a believing follower of Christ the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God

Salvation Jephthae Davis,2020-02-25 Salvation is a term familiar among many Christians and those acquainted with the faith Meanwhile many outside the Christian faith question what this salvation is all about and why there is a need for it My prayer is that by reading this book the reader will gain more insight that will further their knowledge and growth in Christ

Soothing Aroma Tyesha Thompson,2023-10-25 What is the likelihood of being told God sees you in comparison to God smells you However the smell of a Christian s life is just as potent as behavior and appearance which is relative to a soothing aroma Soothing Aroma is a term used in the New American Standard Bible in correlation to the phrase sweet savior in the King James version It examines scriptural text about offerings that smelled pleasing to the Lord It is a theological thought with a prophetic sound into the disposition of the sacrificial system concerning burnt offerings The general intent of a soothing aroma was to appease God The type of sacrifice God deems valuable and costly is us His people as living sacrifices A live sacrifice rather than a dead one infuses the fragrance of Christ That is the soothing aroma that is pleasing to God Jesus is a true example to His followers of what classifies and extols authentic worship to God a valuable and costly sacrifice Christians give off the aroma of Christ as they surrender their lives to Christ as living sacrifices

**Creation in Crisis** Robert S. White, 2009 Creation is in crisis Why then do we continue in activities that are manifestly harmful to ourselves and to others Part of the answer is undoubtedly ignorance about what we are actually doing But part is also that we do not want to face up to the fact that the material comforts we enjoy are bought at a cost to other people and to the natural world This volume highlights the seriousness of environmental degradation and climate change the root causes and possible solutions and the contribution of Christian thinking to these issues Both scientific and theological points of view are presented by the distinguished writers Richard Bauckham Richard Carter Flavio Comim Ellen F Davis Calvin B DeWitt John Guillebaud Donald A Hay Sir Brian Heap Sir John Houghton James J McCarthy Hilary Marlow Douglas J Moo Jonathan Moo Pete Moore Michael Northcott C Ren Padilla Robert S White and George Wilkes In these pages Robert White has assembled a remarkable cast Indeed if you were to lay on an international conference of specialists with expertise from different disciplines to reflect on the present state and the future hope of the earth from a Christian perspective you could hardly get a finer line up Their gift to the reader is that they are able to write so that those of us who are not experts might understand James Jones Bishop of Liverpool     **Romans, Galatians** Douglas J.
