No Contest The Case Against Competition:

No Contest Alfie Kohn, 1992 A critique on the American obsession with competition and its destructive influence on individuals and society No Contest Alfie Kohn, Etc, 1992-11-01 Updated for the 1990s the award winning book that stands as the definitive critique of competition Kohn says that contrary to accepted wisdom competition is not basic to human nature but actually poisons our relationships damages our self esteem and holds us back from doing our best Includes new material on cooperative learning in the classroom By perceiving that cooperation is the answer not competition Alfie Kohn opens a new world of living Dr W Edwards Deming **No Contest** Alfie Kohn, 1992-11 Updated for the 1990s the award winning book that stands as the definitive critique of competition Kohn says that contrary to accepted wisdom competition is not basic to human nature but actually poisons our relationships damages our self esteem and holds us back from doing our best Includes new material on cooperative learning in the classroom By perceiving that cooperation is the answer not competition Alfie Kohn opens a new world of living Dr W Edwards Deming The New Way to Compete Harry A. Olson, 1998-12 **Darwinian Fitness in the Global Marketplace** P. Rajagopal, 2012-11-16 Reviews theories of competition and existing literature and examines the attributes of market competition and strategies adhered to by firms in the global marketplace Provides an in depth analysis of a broad spectrum of important topics on competitive strategies and tactics *The Competitive Mind* Gordon Kainer, 2012-02-24 Do you have questions about competition Is anything wrong in having a competitive mind Why is competition like competitive sports so controversial Is competition only about success or failure What is the difference between being competitive and engaging in competition If you'd like to explore answers this book is for you Competition is something we take for granted like the ground we walk on the air we breathe and the food we eat While ground air and food are essential can the same be said of competition Can we trust that competition's advocates know its pros and cons Since competition touches everything isn't it an acceptable part of life Maybe it's time to challenge these assumptions Would you be surprised to learn that competition is a common Bible topic Incidents of competition are generously scattered throughout the Bible If you desire a sound authentic perspective on competition one that zeroes in on its origin nature and effects this book is your guide The Erosion of the American Sporting Ethos ... Reconsidered Joel Nathan Rosen, 2021-01-01 This work examines American sport from its traditional roots to the influence of the 1960s era counterculture and the rise of a post Cold War ethos that reinterprets competition as a relic of a misbegotten past and anathema to American life The Joyful Child Peggy Jenkins, 1989 This book provides practical clear cut guidance for enhancing our children's creativity building their self esteem and helping them fully express their joyful innate selves **Hothouse Kids** Alissa Quart, 2006 Critically acclaimed author Alissa Quart breaks the news about an issue that will be of urgent concern to parents and educators as well as adult readers with gifted pasts the dilemma of the gifted child While studies show that children who are superior learners do benefit from enriched early education the intensely competitive lives of America's gifted and talented kids do have risks

The pressure can have long term effects in adult life from debilitating perfectionism to performance anxiety and lifelong feelings of failure Quart traveled the country to research the many ways in which the current craze to produce gifted kids and prodigies has gone too far Exploring the overhyped world of baby edutainment and better baby early education programs she takes a hard look at the claims about educational toys and baby sign language Taking readers inside the ever more elite world of IQ testing she reveals the proliferation of new categories of giftedness including terrifyingly and severely gifted and examines the true value of such testing Profiling the explosion of kid competitions from Scrabble tm and chess to child preaching she uncovers the dangers of such heated pressure to excel so early in life and exposes the prodigy hunters who search science and math fairs for teens to hire for Wall Street investment firms Critiquing the professionalization of play she visits with kids who ve been identified as prodigies from a four year old painter whose works sell for 300 000 to an eight year old professional skateboarder who is backed by nine corporate sponsors Surveying expert assessments of the necessary role of unstructured play in child development she warns about the disappearance of recess and the pitfalls of children s overstuffed schedules today She also profiles the growing divide in opportunities for wealthy kids versus those from middle and lower income families who are losing out as gifted programs at public schools are gutted in the wake of the No Child Left Behind Act How should parents and educators draw the line How much enrichment is too much and how much is too little What are we doing to our gifted kids Alissa Quart s penetrating in depth examination provides a much needed wake up call that will spark a national debate about this urgent issue
