## No Night Is Too Long:

No Night is Too Long Barbara Vine, 2012-09-27 No Night is Too Long is a classic crime novel by bestselling prize winning author Barbara Vine Tim Cornish thought he'd gotten away with murder For months after he'd killed his lover off the Alaskan coast there hadn't been a word But then the letters started to arrive It seems that someone knows what Tim has done This compelling thriller delivers such a dark picture of romantic love that murder seems its natural mate Frightening suspenseful and deeply unsettling No Night is Too Long is a modern crime masterpiece and will be enjoyed by readers of P D James and Ian Rankin The Rendell Vine partnership has for years been producing consistently better work than most Booker winners put together Ian Rankin She deploys her peerless skills in blending the mundane commonplace aspects of life with the murky impulses of desire and greed Sunday Times Barbara Vine is the pen name of Ruth Rendell Ruth has published fourteen novels under the Vine name two of which Fatal Inversion and King Solomon's Carpet won the prestigious Crime Writers Association Gold Dagger Award Also available in Penguin by Barbara Vine The Minotaur The Blood Doctor Grasshopper The Chimney Sweeper's Boy The Brimstone Wedding No Night is Too Long Asta's Book King Solomon's Carpet Gallowglass The House of Stairs A Dark Adapted Eye *No Night is Too Long* Ruth Rendell, 1995 *The Brimstone Wedding* Barbara Vine, 2006-07-27 The Brimstone Wedding a masterful mystery about love and madness by bestseller Barbara Vine Intriguing absorbing and compelling Spectator Jenny's marriage is loveless and she is having an affair She works at an old people's home where she is especially fond of Stella a gracious dignified woman dying of cancer whose own secrets parallel Jenny's with the difference that she may have been involved in murdering her lover's husband Both a finely crafted mystery and a disturbingly honest depiction of the kinship between love and madness The Brimstone Wedding tells an unsettling story about the power and the poison of love If you enjoy the crime novels of P D James Ian Rankin and Scott Turow you will adore this book The Rendell Vine partnership has for years been producing consistently better work than most Booker winners put together Ian Rankin A superb and original writer Amanda Craig Express Barbara Vine is the pen name of Ruth Rendell She has written fifteen novels using this pseudonym including A Fatal Inversion and King Solomon's Carpet which both won the Crime Writers Association Gold Dagger Award Her other books include A Dark Adapted Eye The House of Stairs Gallowglass Asta's Book No Night Is Too Long In the Time of His Prosperity The Brimstone Wedding The Chimney Sweeper's Boy Grasshopper The Blood Doctor The Minotaur The Birthday Present and The Child's Child **The Fiction of Ruth Rendell** Barbara Fass Leavy, 2012-08-31 A study of the role of family ancient Greek narratives and the psychological theories of Freud and Jung in the mystery novels of Ruth Rendell Aside from Ruth Rendell's brilliance as a fiction writer and her appeal to mystery lovers her books portray a compelling universal experience that her readers can immediately relate to the intra familial stresses generated by the nuclear family Even those who experience the joys as well as pains of family life will find in Rendell the conflicts that beset all who must navigate their way through the conflicts that beset members of the closest

families Barbara Fass Leavy analyzes the multi leveled treatment of these themes that contributes to Rendell s standing as a major contemporary novelist Rendell who also writes as Barbara Vine draws on ancient Greek narratives and on the psychological theories Sigmund Freud and Carl Jung derived from them to portray the disturbed family relationships found throughout her work Leavy s analysis considers what distinguishes mysteries as popular entertainment from crime fiction as literary art The potential for rereading even when the reader remembers whodunit will be the basis for this distinction Leavy also looks closely at the Oedipus and Electra complexes and how they illuminate Rendell s portrayals of the different pairings within the nuclear family for example mother and daughter and considers the importance of gender differences In addition Leavy corrects a widespread error that Freud formulated the Electra complex when in fact the formulation was Jung s as he challenged Freud s emphasis on the Oedipus story as the essential paradigm for human psychological development
