**Active Defense (Danger Never Sleeps Book #3)** Lynette Eason, 2021-01-05 She's used to life or death situations. She just didn't expect them to follow her home. When former field surgeon Heather Fontaine returns from a party to find that someone has broken into her house and threatened her friends, she assumes it is the stalker who has been creeping her out. She hopes to find safety and peace of mind by leaving the city and hiding out in a small town. But trouble follows her even there. Luckily, a stalker isn't the only one observing Heather. Travis Walker has been secretly watching out for her for weeks. As owner of his own security agency, it's what he does. Together, Travis and Heather must figure out who wants her dead and why before it's too late.

**Collateral Damage (Danger Never Sleeps Book #1)** Lynette Eason, 2020-01-07 Honorably discharged from the Army after an explosion nearly killed her former military psychiatrist, Brooke Adams has set up shop to help others, but her days of helping military personnel are over. She's got her own battles to fight from her time overseas, and she's not equipped to take on more. Former Army Special Ops Sergeant First Class Asher James could handle anything that war sent his way: terrorists, bombs, bullets. The only thing that scares him now is sleep. As the shadows close in, the nightmares begin. Finally convinced that he needs help, Asher makes an appointment with a counselor, and Brooke is pressed by her boss to take him on. When he arrives at her office, she isn't there, but a dead body is. Brooke is devastated when she walks in, and Asher is a conveniently strong shoulder to cry on. But she can't take him on as a client after sharing such an intimate and unprofessional moment with him. And he's not sure he can handle sharing his deepest fears with such a beautiful woman. When it becomes clear that Brooke was the real target of the attack and that her secrets go even deeper than his own, Asher vows to protect her no matter what.
