weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

The Economics of the Popular Music Industry Christie Byun,2024-04-29 This book uses economic

theory to explain how consumers and producers have responded to major changes in the music industry Byun examines the important role of technology in changing its structure particularly as new methods of creating and accessing music prove to be a double edged sword for creators and producers This second edition includes new information about concert attendance and live performance in the COVID era and what followed as well as the resultant economic impacts on the industry

Throughout the book Byun questions how the business of music affects creativity and the extent to which this impacts the

creative output of the individual artist Chapters also address copyright enforcement and online piracy This is an

approachable resource for economists interested in the music industry as well as business and music majors studying the

ways in which technology can impact a creative process

Strategic Mobile Design Joseph Cartman,Richard

Ting,2008-12-02 This book gives anyone interested in mobile campaigns both client side and production side the knowledge

to approach a mobile project with a cohesive strategy The book presents a holistic view of the mobile ecosystem design

technology marketing business build with enough information to get one started with a project of this nature
