Peer Coaching For Educators Second Edition:

Learning to Teach Physical Education in the Secondary School Susan Capel, Margaret Whitehead, W H Duncan Professor of Public Health Margaret Whitehead, 2013-04-15 This book focuses on the requirements of student PE teachers in relation to teaching skills and issues covered in PGCE and initial teacher education courses The new edition of this popular textbook draws together background information about teaching and about PE basic teaching skills specifically related to physical education and broader knowledge and understanding of issues in the wider context of PE The book is organized so that each chapter contains text and underpinning theory interspersed with activities that student teachers are asked to undertake either alone with another student teacher or with a tutor This is not a book of teaching tips but promotes critical thinking and reflection to enable student PE teachers to develop into reflective practitioners *Learning to Teach Physical Education in the Secondary School* is an essential resource for any student teacher undertaking PGCE or school based initial teacher education to become a teacher of PE in secondary schools [Resources in Education](#), 1996 **Ideas that Work**, 1998

Resources in Education, 1997 **Journal of Computing in Teacher Education**, 1999 [Peer Coaching](#) Les Foltos, 2013-07-23 Teachers are better together For schools to implement the classroom changes the future demands teachers must learn how to collaborate effectively This book details the deeply researched peer coaching method formulated by Les Foltos and implemented in over 40 countries with powerful results Its insights include How peer coaching that makes a difference involves much more than just offering advice How a coaching relationship is first built on trust and then on the willingness to take risks Why peer coaching should focus on adapting teaching methods to the technological future of education *America Revisited* George Augustus Sala, 1883 [Current Index to Journals in Education](#), 1992
