Sam Kramer Toni Greenbaum,2020-01-17 Despite being one of the most influential and indeed most eccentric of the American modernist jewelers Sam Kramer 1913 1964 has received little recognition His expressive organic work and surreal workshop located on West 8th Street in New York s Greenwich Village paved the way for other mid twentieth century metalsmiths and for many more working today Sam Kramer Jeweler on the Edge investigates Kramer as both a seminal artist and a cult personality Through lavish color photographs of rarely seen works as well as newly discovered archival material the story of this unique individual is told against a backdrop of post Second World War America from the late 1940s to the early 1960s Mirroring both the existential angst and quirky humor of the Beat Generation Sam Kramer embodied the iconoclastic spirit of his era

Jewellery in the Age of Modernism 1918-1940 Simon Bliss,2019 Why has jewellery and body adornment often been marginalized in studies of modernist art and design This study explores the relationship between jewellery modernism and modernity from the jazz age to the second world war in order to challenge the view that these portable art forms have only a minor role to play in histories of modernism From the masterworks of the Parisian jewellery houses to the film and photography of Man Ray this study seeks to present jewellery in a new light where issues of representation and display are considered to be as important in the creation of a modern jewellery culture as the objects themselves Drawing on material from museums archives contemporary journals memoirs literary and theoretical texts this study shows how the emergence of modern jewellery began to seriously question conventional notions of body adornment
