Bullies and Mean Girls in Popular Culture Patrice A. Oppiger,2013-10-03 The numerous anti-bullying

programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem *Serving Young Teens and 'Tweens* Sheila B.

Anderson,2006-11-30 Notable teen experts and stellar practitioners from across the country explain why library service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila B Anderson James Rosinia Deb Taylor Robyn Lupa and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents If someone is described as a young adult what image comes to mind In fact a young adult can be a twelve year old middle schooler or a high school graduate Libraries have traditionally offered a variety programs and services for YAs and although more emphasis has been given to serving teens in recent years little has been done to distinguish between groups within the category and meet the specific developmental needs of this broad range of library users This collection complements Anderson s previous collection *Serving Older Teens* by focusing on the needs of tweens and young teens ages 11-14 This is the age range when many young people stop using the library and lose interest in reading Notable teen experts and stellar practitioners from across the country explain why service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila Anderson James Rosinia Deb Taylor Robyn Lupa Brenda Hager and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents *How Not to Choke on Tests* Stephanie Watson,2012-12-15 This guide for middle school students will instill confidence for test taking They ll find proven tips to help prepare for each test and learn how to beat test anxiety before it can beat them Topics include how to get motivated take notes organize time and thoughts and win at studying Readers discover where to turn for help and how to tackle different kinds of tests Common test mistakes and how to avoid them are also explored as well as what to do after a test is graded and
