Sport Management Education Mike Rayner, Tom Webb, 2022-01-27 This book examines a range of contemporary issues related to the global delivery of sport management education At a time of unprecedented change in Higher Education the book looks closely at how sport management education can and should deliver positive outcomes in sport business and management outside of the university The book brings together sport management academics from around the globe and examines how their practice in education has been shaped by the cultural religious and political context of the national regions in which they work It aims to identify core principles in sport management education and implementation and discusses the key aspects of sport management programmes from curriculum design and pedagogy to issues around unified accreditation and the needs of employers It also focuses in on what sport management education might look like in an increasingly digital post COVID world This is essential reading for all sport management educators and anybody working in sport related professions looking to understand global educational platforms and their implications for policy at local regional national and international level *USA Today Index* ,1993

The Year Without a World Series Robert C. Cottrell, 2023-08-24 The 1994 Major League Baseball season promised to be memorable Long standing batting and pitching standards were threatened including the revered single season home run record The Montreal Expos and New York Yankees were delivering remarkable campaigns In August acting commissioner Bud Selig called a halt to the season amid the League s latest labor dispute The shutdown led to a lockout as well as cancellation of more than 900 regular season games the scheduled expanded rounds of playoffs and that year s World Series Like all labor struggles it was fundamentally about control of salaries of players ability to decide their own fates and of the game itself This book chronicles Major League Baseball s turbulent 94 season and its ripple effects It highlights earlier labor struggles and the roles performed by individuals from John Montgomery Ward David Fultz and Robert Murphy to Marvin Miller Andy Messersmith Jim Catfish Hunter and Donald Fehr Also examined are the ballplayers own organizations from the Players League of the early 1890s to the still potent Major League Baseball Players Association doing battle with team owners and their representatives *Select Shelley O'Hara*, 1998
