New World Gold Cultural Anxiety And Monetary Disorder In Early Modern Spain

Katrin Zwirgmaier

New World Gold Cultural Anxiety And Monetary Disorder In Early Modern Spain:

New World Gold Elvira Vilches, 2010-05-15 The discovery of the New World was initially a cause for celebration But the vast amounts of gold that Columbus and other explorers claimed from these lands altered Spanish society The influx of such wealth contributed to the expansion of the Spanish empire but also it raised doubts and insecurities about the meaning and function of money the ideals of court and civility and the structure of commerce and credit New World Gold shows that far from being a stabilizing force the flow of gold from the Americas created anxieties among Spaniards and shaped a host of distinct behaviors cultural practices and intellectual pursuits on both sides of the Atlantic Elvira Vilches examines economic treatises stories of travel and conquest moralist writings fiction poetry and drama to reveal that New World gold ultimately became a problematic source of power that destabilized Spain's sense of trust truth and worth These cultural anxieties she argues rendered the discovery of gold paradoxically disastrous for Spanish society Combining economic thought social history and literary theory in trans Atlantic contexts New World Gold unveils the dark side of Spain's Golden Age

Gold: How it Shaped History Alan Ereira, 2024-11-30 Gold is not what we think It is usually discussed in the context of wealth and art but this book has a broader subject so fundamental that it has been largely unremarked Informed by a mass of recent discoveries and a South American indigenous perspective it offers a new way of understanding the history of civilization Gold has been coinage treasure and adornment But it has been much more as the hidden driver of wars and revolutions the rise and fall of empires and the transformation of societies As the sun traveled east to west across the sky gold incorruptible and corrupting flowed west to east hand to hand across the world That flow has brought empires to grow and collapse and driven plunder conquest and colonization It brought about wars and revolutions empowered new forms of arts and science and created the capitalist consumer economy that dominates us now All the gold people ever shaped still exists shining as new it can be mislaid but never decays Right from its first appearance on the west shore of the Black Sea long before the rise of Egypt and Mesopotamia gold crowned the first proto king Ever since it has been regarded as value incarnate with transcendental power The quantity we take has been increasing steadily for 6 500 years Now extraction accelerates Our gold mountain has doubled in the last fifty years Yet its price increases faster While the quantity doubled its buying power multiplied by six What does gold do that makes us want it so much As Alan Ereira reveals in this skilfully woven narrative gold is the hidden actor that shapes our story

Empire of Poverty Julia McClure, 2024-11-11 Empire of Poverty examines how changing concepts of poverty in the long sixteenth century helped shape the deep structures of states and empires and the contours of imperial inequalities While poverty is often understood to have become a political subject with the birth of political economy in the eighteenth century this book points to the longer history of poverty as a political subject and a more complicated relationship between moral and political economies It focuses upon the critical transformations taking place in the long sixteenth century with the emergence of the world's first global empire and the development of colonial capitalism

The book explores how the moral political economy of poverty defined as a new and changing conceptualisation of and approach to poverty across laws institutions and acts of resistance played a critical role in the development and governance of the Spanish Empire In so doing it offers insights into the negotiated nature of sovereignty the construction of inequalities and strategies of resistance Empire of Poverty explains how the combined processes of the transition to global capitalism and imperialism in the long sixteenth century wrought a moral crisis which led to the transformation of poverty and reconceptualization of the poor and how the newly emerging beliefs laws and institutions of poverty helped structure the inequalities of the new global order

The Age of Silver Ning Ma,2017 The Age of Silver considers how commerce fueled the emergence of the novel around the globe examining the evolution of epochal works of national literature from Don Quixote in 1605 to Robinson Crusoe in 1719

Money in the Dutch Republic Sebastian Felten,2022-03-10 Offers a distinctive history of money as an everyday social technology in the Dutch Republic from 1600 to 1850

History of Economic Thought Newsletter ,2009

American Baroque Molly A. Warsh,2018-03-20 Pearls have enthralled global consumers since antiquity and the Spanish monarchs Ferdinand and Isabella explicitly charged Columbus with finding pearls as well as gold and silver when he sailed westward in 1492 American Baroque charts Spain s exploitation of Caribbean pearl fisheries to trace the genesis of its maritime empire In the 1500s licit and illicit trade in the jewel gave rise to global networks connecting the Caribbean to the Indian Ocean to the pearl producing regions of the Chesapeake and northern Europe Pearls a unique source of wealth because of their renewable fungible and portable nature defied easy categorization Their value was highly subjective and determined more by the individuals free and enslaved who produced carried traded wore and painted them than by imperial decrees and tax related assessments The irregular baroque pearl often transformed by the imagination of a skilled artisan into a fantastical jewel embodied this subjective appeal Warsh blends environmental social and cultural history to construct microhistories of peoples wide ranging engagement with this deceptively simple jewel Pearls facilitated imperial fantasy and personal ambition adorned the wardrobes of monarchs and financed their wars and played a crucial part in the survival strategies of diverse people of humble means These stories taken together uncover early modern conceptions of wealth from the hardscrabble shores of Caribbean islands to the lavish rooms of Mediterranean palaces

En la concha de Venus amarrado Patricia Marín Cepeda,2017 La literatura er tica o sexual si se prefiere del Siglo de Oro es decir aquella que se nutre de cierto sustrato er tico desde el humor m s descarnado a la met fora m s sutil ha estado tradicionalmente relegada del corpus can nico de estudio tanto por su alejamiento de los modelos petrarquistas como por la censura que recibí en el contexto espa ol a diferencia de lo sucedido por ejemplo en Italia Sin embargo como viene constatando de manera activa la bibliograf a cient fica desde el ltimo tercio del siglo XX el erotismo permea de manera m s o menos central o codificada una gran cantidad de textos del per odo ureo Los once estudios contenidos en este volumen realizados por investigadores procedentes de universidades de Espa a Estados Unidos Italia y Suiza tratan de aquilatar la

presencia de erotismo en autores representativos de los siglos XVI y XVII como Góngora, Lope de Vega, Quevedo y Avellaneda entre otros autores menos conocidos o directamente anónimos. Analizan cuestiones relativas al léxico, a los temas, formas y motivos inherentes a la expresión de lo erótico en dicho período y diseccionan los habituales problemas de autoría, atribución y formación del canon de la poesía aureosécular en su vertiente erótica, así como su relación con la tradición, las artes plásticas y con las condiciones históricas que subyacen a dicha práctica literaria, casi siempre restringida en el ámbito poético a una circulación manuscrita. A la recuperación de dicha literatura también tratan de contribuir estas páginas con la edición de algunos textos eróticos poco o nada conocidos. **Video Source Book**, 2008

New World Gold Cultural Anxiety And Monetary Disorder In Early Modern Spain: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. New World Gold Cultural Anxiety And Monetary Disorder In Early Modern Spain : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. New World Gold Cultural Anxiety And Monetary Disorder In Early Modern Spain : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. New World Gold Cultural Anxiety And Monetary Disorder In Early Modern Spain : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
