**The Epistle to the Romans** Douglas J. Moo, 1996-09-30 Paul s letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul s letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been

substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half. Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance. Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God. He also critically interacts with the new perspective on Paul. Highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle.

Mothers as the Image of God Juliann Bullock, 2022-12-12 Is God a man? If God is our Heavenly Father, does that require God to be male? Does the Bible ever describe God as a mother as well as a father? If human fathers can show us what God is like, can we see God's image in our mothers too? How do women uniquely reveal the nature of the One who created both male and female in the image of God? Mothers as the Image of God explores answers to these important questions along with many others. This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God, an image that is exquisitely displayed through mothering, whether that takes place

biologically through adoption or by pouring into spiritual children

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
