Newspaper Scavenger Hunts Sandy Fleming, 2012-01-23 *Newspaper Scavenger Hunts* contains 30 printable task cards that will send students scrambling through old newspapers to find items such as colored letters for younger students words with two syllables middle grades or items that are discounted by 10% older students. They're great for centers or for class wide competition. The Scavenger Hunts also make great practice activities that can be used when students finish other tasks early. The three levels make it easy to provide just the right amount of challenge and independence for a wide range of ages and ability levels. No classroom should be without them. *Newspaper Teacher Created Resources*, Teacher Created Resources Staff, 2010-03-09 *The Newspaper* J. Literacy Today Dennis M. Adams, Mary Hamm, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company. **Deeper Reading** Kelly Gallagher, 2004 Do your students often struggle with difficult novels and other challenging texts? Do they think one reading of a work is more than enough? Do they primarily comprehend at a surface level and are they frequently unwilling or unable to discover the deeper meaning found in multi layered works? Do you feel that you are doing more work teaching the novel than they are reading it? Building on twenty years of teaching language arts Kelly Gallagher author of *Reading Reasons* shows how students can be taught to successfully read a broad range of challenging and difficult texts with deeper levels of comprehension. In *Deeper Reading* Kelly shares effective classroom tested strategies that enable your students to accept the challenge of reading difficult books. Move beyond a first draft understanding of the text into deeper levels of reading. Consciously monitor their comprehension as they read. Employ effective fix it strategies when their comprehension begins to falter. Use meaningful collaboration to achieve deeper understanding of texts. Think metaphorically to deepen their reading comprehension. Reach deeper levels of reflection by understanding the relevance the book holds for themselves and their peers. Use critical thinking skills to analyze real world issues. Kelly also provides guidance on effective lesson planning that incorporates strategies for deeper reading. Funny, poignant, and packed with practical ideas that work in real classrooms. *Deeper Reading* is a valuable resource for any teacher whose students need new tools to uncover the riches found in complex texts. **Media and Literacy** Dennis Adams, Dennis M.
