Snapchat Nba Preseason In The Us:

A History of NFL Preseason and Exhibition Games Mark L. Ford, 2014-09-24 For fans of professional football who thought they had read everything about the history of the game Mark L Ford breaks new ground with this account of the NFL preseason Described as test labs by Ford the preseason games are a time for trying out new strategies considering future rule changes and implementing television coverage innovations For thousands of players who vie for a spot in the league every summer the preseason is also the defining moment where careers can be made or broken A History of NFL Preseason and Exhibition Games 1960 to 1985 is one of two books by Ford on professional football s preseason Along with its companion volume which covers 1986 to 2013 this resource provides information on every NFL and AFL preseason game played since the AFL was launched in 1960 All the interesting events and people that were part of these summer battles are detailed as well as the first outings for new teams new rules and new stars In addition Ford includes amusing anecdotes and mishaps such as a 1972 game that was lost because the players wore the wrong shoes Throughout the book Ford recounts key off season developments that would transform professional football from a modest enterprise into a global monopoly with annual revenues and assets worth billions A History of NFL Preseason and Exhibition Games is a unique and important reference for pro football fans and cultural historians alike
