way up through the company You will find the more value you bring to a company the more they will look to you to assume great responsibility Typically the more responsibility the greater the paycheck What makes this book timely is the fact as COVID 19 winds down we are seeing many labor shortages in many areas and industries Now is the absolute best time to go to an industry experiencing a labor shortage or enter one of the numerous industries researched in this book and get yourself the job you always wanted without the cost and time involved with getting a four year college education I have nothing against getting a degree and there are still many fields where they will always be mandatory however the trades service industries government railroads law enforcement plus many others will welcome you with open arms without the need for a four year degree I hope this book helps Feline Practice ,1985 **Adweek** ,2006 Vols for 1981 include four special directory issues F&S Index United States Annual ,1999 New Scientist ,2008 *The Times Parliamentary Debates* ,1892 **Convention Notes from the 137th AVMA Annual Convention** American Veterinary Medical Association.
