Mesopotamian Myths The Legendary Past:

Mesopotamian Myths Henrietta McCall, 1990 Briefly describes the rediscovery and decipherment of the Mesopotamian myths and legends introduces and retells the Epic of Gilgamesh and others and examines their importance both past and present

Culture and Ideology under the Seleukids Eva Anagnostou-Laoutides, Stefan Pfeiffer, 2022-01-19 The volume offers a timely re appraisal of Seleukid cultural dynamics While the engagement of Seleukid kings with local populations and the issue of Hellenization are still debated a movement away from the Greco centric approach to the study of the sources has gained pace Increasingly textual sources are read alongside archaeological and numismatic evidence and relevant near eastern records are consulted Our study of Seleukid kingship adheres to two game changing principles 1 We are not interested in judging the Seleukids as strong or weak whether in their interactions with other Hellenistic kingdoms or with the populations they ruled 2 While appreciating the value of the social imaginaries approach Stavrianopoulou 2013 we argue that the use of ethnic identity in antiquity remains problematic Through a pluralistic approach in line with the complex cultural considerations that informed Seleukid royal agendas we examine the concept of kingship and its gender aspects tensions between centre and periphery the level of acculturation intended and achieved under the Seleukids the Seleukid Ptolemaic interrelations As rulers of a multi cultural empire the Seleukids were deeply aware of cultural politics

Myth and Method Laurie L. Patton, Wendy Doniger, 1996 In confronting these tension they provide an outline of the most troubling questions in the field and offer a variety of responses to them

Goats (Capra) Sándor Kukovics, 2020-07-15 Research and development in animal husbandry and products manufacturing are ongoing and the results should be summarized from time to time and made available to the reader in order to increase their knowledge The present publication seeks to present the results related to the goat species The first part of the volume contains the cultural history of the goat as well as chapters on the breeds kept and bred in Spain USA and Nepal The second part covers the chapters dealing with Cashmere and Pashmina wool In the third part of the volume you can read about the differences between the different goat cheeses The first chapter of the fourth part compares the drugs that can be used in the treatment of goat diseases while the second chapter describes the parasites of the gastrointestinal tract GIT

Before Writing, Vol. I Denise Schmandt-Besserat, 1992 Before Writing gives a new perspective on the evolution of communication It points out that when writing began in Mesopotamia it was not as previously thought a sudden and spontaneous invention Instead it was the outgrowth of many thousands of years worth of experience at manipulating symbols In Volume I From Counting to Cuneiform Denise Schmandt Besserat describes how in about 8000 B C coinciding with the rise of agriculture a system of counters or tokens appeared in the Near East These tokens small geometrically shaped objects made of clay represented various units of goods and were used to count and account for them The token system was a breakthrough in data processing and communication that ultimately led to the invention of writing about 3100 B C Through a study of archaeological and epigraphic evidence Schmandt Besserat traces how the

Sumerian cuneiform script the first writing system emerged from a counting device In Volume II A Catalog of Near Eastern Tokens Schmandt Besserat presents the primary data on which she bases her theories These data consist of several thousand tokens catalogued by country archaeological site and token types and subtypes The information also includes the chronology stratigraphy museum ownership accession or field number references to previous publications material and size of the artifacts Line drawings and photographs illustrate the various token types The Looting of the Iraq Museum, Baghdad Milbry Polk,Angela M.H.
