**Coaching Ideas & Ideals** Arthur J. Gallon, 1980      **Total Quality Management and Operational Excellence** John S. Oakland, Robert J. Oakland, Michael A. Turner, 2020-07-08 The notion of Quality in business performance has exploded since the publication of the first edition of this classic text in 1989. Today there is a plethora of performance improvement frameworks including lean Six Sigma and the latest version of ISO 9001 offering an often confusing variety of ways to achieve business excellence. Quality guru John Oakland's famous TQM model in many ways a precursor to these frameworks has evolved to become the ultimate holistic overview of performance improvement strategy. Incorporating the frameworks that succeeded it the revised model redefines Quality by Accelerating change Reducing cost Protecting reputation. The popular practical jargon free writing style along with ten supporting case studies effortlessly ties the model to its real life applications making it easy to understand how to apply what you've learned to your practices and achieve sustainable competitive advantage. Guiding readers through the language of TQM and OpEx and all their recent developments including data analytics this book sets out a clear way to manage change.
