My Life with Michael Gary Lloyd, 2019-10 *Unmasked* Ian Halperin, 2009-07-14 In late December 2008 Ian Halperin told the world that Michael Jackson had only six months to live His investigations into Jackson's failing health made headlines around the globe Six months later the King of Pop was dead Whatever the final autopsy results reveal it was greed that killed Michael Jackson Friends and associates paint a tragic picture of the last years and days of his life as Jackson made desperate attempts to prepare for the planned concert series at London's O2 Arena in July 2009 These shows would have earned millions for the singer and his entourage but he could never have completed them not mentally and not physically Michael knew it and his advisors knew it Anyone who caught even a fleeting glimpse of the frail old man hiding beneath the costumes and cosmetics would have understood that the London tour was madness Why did it happen this way After an intense five year investigation New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson's final years a suspenseful and surprising thriller **Untouchable** Randall Sullivan, 2012-11-13 Drawing on never before seen material this definitive biography exposes the true extent of the Jackson family's dysfunctionality evidence of which is still in the public eye as they dispute the star's will Jackson was the most talented richest and most famous pop star on the planet But the outpouring of emotion that followed his loss was bittersweet Dogged by scandal for over fifteen years and undone by his own tendency to trust the wrong people Jackson had become untouchable in many quarters a fact that wounded him deeply Now drawing on unprecedented access to friends enemies employees and associates of Jackson Randall Sullivan delivers an intimate unflinching and deeply human portrait of a man who was never quite understood by the media his fans or even those closest to him Untouchable promises to be a profound investigation into the enigma that was Michael Jackson The Trials of Michael Jackson Lynton Guest, 2020-07 News of Michael Jackson's appearances in court on paedophile charges in 2005 was broadcast to hundreds of millions of people around the world Everyone had opinions about the testimony and the witnesses as the drama was played out in the small town of Santa Maria in California This book not only tells the story of that trial but of what was secretly going on behind the scenes a far more important and mysterious tale than that unfolding in the courthouse The Trials of Michael Jackson reveals the sensational events which led to the downfall of a megastar at the hands

of the mighty Sony company and an obsessive but compliant prosecutor Using previously unpublished material personal interviews and evidence gathered during research on three continents Lynton Guest uncovers the truth about the bitter feud between one of the biggest corporations in the world and pop music s greatest legend The Trials of Michael Jackson is a roller coaster ride from the ashes of a defeated Japan in 1945 to the twenty first century celebrity culture which now spans the globe It provides the most authoritative look yet at the music business and its extreme excesses over the last forty years But more than anything else The Trials of Michael Jackson shows how the man who gave us Thriller the biggest selling record of all time was hunted down and all but destroyed by forces beyond even his control The death of one of the planet s greatest legends in June 2009 has generated unprecedented speculation rumour and controversy There are more questions than answers and the report by the Los Angeles coroner in August 2009 means that Jackson s death is now officially a homicide Is there a hidden agenda between Dr Conrad Murray his paymasters AEG Live and Sony Corporation Why was Propofol a powerful anaesthetic administered to Michael Jackson by Dr Murray What is Philip Anschutz s involvement in Jackson s death Was Michael Jackson worth more dead than alive These questions are only a few raised by Lynton Guest in this hard hitting Second Edition in his quest to seek the truth in The Trials of Michael Jackson Michael Jackson Shawn Henning,2009-09-29 As fans of entertainers our voice is often overlooked We are passed off as simple fans who really don t know to much The media with all their experts reports opinions and speculations are often times not the truth For the first time the fans of Michael Jackson will speak out False reports and rumors are exposed in this book and the Author provides in indepth look at the media theories and speculations The fans finally have a book that expresses what they know to be the truth about The Icon of Music Michael Jackson The Author takes you through Michael Jackson life from the viewpoint of a fan Backed by intense research and interview from noted film maker and defense witness for Michael Jackson Larry Nimmer who also wrote this about the book You ve done excellent research and there were some things that I learned that I didn t know It was interesting what you had to say about the accusers and about his dad Joe Jackson I liked your comparison that Americans will sleep with animals in their bed but they are not accused of bestiality good comparison You ve presented a convincing story about people who fabricated stories for personal gain including the media at the expense of Michael Jackson great job and very interesting Larry Nimmer **Michael Jackson Book for Kids** Verity Books,2024-04-06 Get ready to groove to the rhythm of the King of Pop s incredible journey in Michael Jackson Book for Kids *Michael Jackson, the King of Pop* Jel D.
