Marketing: How Innovative Businesses Are Turning Marketing Cost Into Profit Joe Pulizzi,Robert Rose,2017-09-08 Killing
 your current marketing structure may be the only way to save it Two of the world s top marketing experts reveal the next
 level of breakthrough success transforming your marketing strategy into a standalone profit center What if everything we
 currently know about marketing is what is holding us back Over the last two decades we ve watched the entire world change
 the way it buys and stays loyal to brands But marketing departments are still operating in the same campaign centric product
 led operation that they have been following for 75 years The most innovative companies around the world have achieved
 remarkable marketing results by fundamentally changing their approach By creating value for customers through the use of
 owned media and the savvy use of content these businesses have dramatically increased customer loyalty and revenue Some
 of them have even taken it to the next step and developed a marketing function that actually pays for itself Killing Marketing
 explores how these companies are ending the marketing as we know it in favor of this new exciting model Killing Marketing
 provides the insight approaches and examples you need to understand these disruptive forces in ways that turn your
 marketing from cost center to revenue creator This book builds the case for literally transforming the purpose of marketing
 within your organization Joe Pulizzi and Robert Rose of the Content Marketing Institute show how leading companies are
 able sell the very content that propels their marketing strategy You ll learn how to Transform all or part of your marketing
 operation into a media company Integrate this new operation into traditional marketing efforts Develop best practices for
 attracting and retaining audiences Build a strategy for competing against traditional media companies Create a paid earned
 media strategy fueled by an owned media strategy Red Bull Johnson Johnson Disney and Arrow Electronics have succeeded
 in what ten years ago would have been deemed impossible They continue to market their products as they always have and
 through their content driven and audience building initiatives they drive value outside the day to day products they sell and
 monetize it directly Killing Marketing rewrites the rules of marketing enabling you to make the kind of transition that turns
 average companies into industry legends **Gramophone** ,2008 **Cybercrime** United States. Congress. Senate.
