Funding Freedom Austin Jack, 2025-09-18 Fundraising isn't about chasing checks. It's about fighting for freedom. In **Funding Freedom**, Austin Jack strips away the myths and shows how money truly moves missions. Drawing from years on the frontlines with major donors, think tanks, and political campaigns, he shares the real lessons—sometimes painful, always practical—that every fundraiser needs to hear. You'll learn why the ask matters more than the relationship, how to tell a story that compels action, and how to build a strategy that survives failure and scales impact. From navigating rainmakers and changemakers to breaking free from the "dungeon cell complex" that paralyzes movements, Austin gives you a clear playbook for raising serious money in today's philanthropic landscape. Whether you're new to development or leading a multimillion-dollar organization, **Funding Freedom** will sharpen your instincts, strengthen your courage, and remind you why this work matters. Because fundraisers aren't just supporting causes; they're shaping the future of freedom itself. Austin Jack has built a career turning vision into revenue, and now he's giving that blueprint to the rest of us. **Funding Freedom** is essential reading for any organization that wants to grow scale. And last, Seth Morrison, Executive Director of The Lincoln Club of Orange County: In a field crowded with noise, Austin cuts straight to what actually moves donors and sustains impact. **Funding Freedom** will give nonprofit leaders the confidence and tools to scale their mission without losing their soul. Scot Mussi, President and Executive Director, Arizona Free Enterprise Club: I've had the privilege of working side-by-side with Austin for several years. In that time, I've watched investments in our nonprofit surge. This book offers the blueprint for anyone who wants to turn their vision into reality and rapidly grow their organization. Matt Paprocki, President and CEO of the Illinois Policy Institute.
