policymakers and others    **The return of the housewife** Emma Casey,2025-04-08 An illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women Housework is good for you Housework sparks joy

Housework is beautiful Housework is glamorous Housework is key to a happy family Housework shows that you care

Housework is women s work Social media is flooded with images of the perfect housewife TikTok and Instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right Figures such as Marie Kondo and Mrs Hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking And yet housework remains one of the world s most unequal institutions Women especially poorer women and women of colour do most low paid and unpaid domestic labour In The return of the housewife Emma Casey asks why these inequalities matter and why they persist after a century of dramatic advances in women s rights She offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker    **#Share**

Natalie T. Wood,Caroline K. Muñoz,2017-02-08 Each day millions of consumers venture online to search and exchange product information and to seek out and share opinions Electronic word of mouth eWOM communication has been shown to influence consumer actions across a variety of industries King Racherla and Bush 2014 A significant portion of eWOM occurs on social media platforms Whether it is a status update to Facebook of an upcoming vacation a picture of a laundry room makeover on Pinterest or a YouTube video discussing the features on the new iPhone consumers are turning to a variety of social platforms to make everyday purchasing decisions easier for themselves and others Indeed social word of mouth sWOM a subset of eWOM has incredible reach with the potential to influence over two billion active social media consumers The purpose of this book is to examine the influence of sWOM and provide guidance on how to operationalize its growing power The goal of this book is to bring together industry best practices and academic research to help construct social media content that speaks with your brand voice stimulates engagement inspires consumers to share share and complies with industry and federal guidelines Each chapter highlights a key area of sWOM that will further your understanding and provide actionable information to assist you in mobilizing positive sWOM for your company    [Navigating Digital Communication and Challenges for Organizations](#) Andrade, José Gabriel,Ruão, Teresa,2022-04-15 Public involvement has the power to

promote an active circulation of media content and can generate economic and cultural value for organizations. The current perspectives on interactions between audiences, organizations, and content production suggests a relational logic between audiences and media through new productivity proposals. In this sense, it is interesting to observe the reasoning of audience experience through the concepts of interactivity and participation. However, there is a gap between the intentions of communication professionals and their organizations and the effective circulation and content retention among the audiences of interest as well as the distinction between informing and communicating. *Navigating Digital Communication and Challenges for Organizations* discusses communication research with a focus on organizational communication that includes a range of methods, strategies, and viewpoints on digital communication. Covering a range of topics such as internal communication and public relations, this reference work is ideal for researchers, academicians, policymakers, business owners, practitioners, instructors, and students.

*Drowning in Screen Time* David Murrow, 2020-12-29. Screens connect us 24/7 and we've never been lonelier. The average American spends nine hours a day in the screen world. Heavy screen users are experiencing an epidemic of anxiety, isolation, and suicidal thoughts. The more time we devote to screen life, the more difficult real life becomes. Bestselling author David Murrow is a screen industry insider who shows us the way back to balance. His new book is based on five simple parables that explain how and why screens grab our attention and won't let go. You'll learn what screens are doing to your brain and body. Why screen time increases anxiety. Why screen-mediated communication is threatening your real relationships. How to stop checking your phone every three minutes. Why millions are spending less time on social media. Why people are so nasty online. Why video games and web surfing are so addicting. Strategies to help parents manage their kids' screen use. How to help a friend or loved one overcome a screen addiction. *Drowning in Screen Time* is not about becoming a digital hermit. It's a practical guide that can help anyone find screen life / real life balance again.

Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **Instagram J.**
