## **Partnering With Nature The Wild Path To Reconnecting With The Earth:**

**Partnering with Nature** Catriona MacGregor,2010-04-13 Partnering with Nature is a simple book with a powerful message our connections to the natural environment and ultimately to ourselves are crucial in today s fragmented world As each successive generation moves farther away from nature the growing disconnect is expressed through physical as well as mental stress from depression and fatigue in adults to attention disorders and obesity in children The way we relate to nature helps define our place within it and by awakening this natural yet dormant connection to the environment around us we can move beyond solitary stewardship and into partnership In Partnering with Nature Catriona MacGregor weaves together scientific and historical wisdom spiritual insights and inspiring stories that illuminate the energies that link humans animals and the natural world Through observation and conscious practice we can open up to the power of nature to transform our lives uplift our spirits and even to direct our bodies to a healthier potential For everyone who has a sense of something missing who wishes to make a difference in their world who yearns to reclaim their sense of wonder and awe or who struggles with their health or emotional balance nature speaks to all who will listen *Health in the Anthropocene*
