## **Platformed! How Streaming, Algorithms and Artificial Intelligence are Shaping Music Cultures**

Tiziano Bonini,Paolo Magaidda,2023-12-27 Grounded in more than a decade of field research this book uses empirical examples quantitative data and qualitative interviews with young music consumers as well as music industry professionals to understand how the platforms behind music production distribution and listening work in our digital society Bringing together the perspectives from science and technology studies media studies and the political economy of digital platforms the book outlines the process of mutual construction between music digital platforms and the cultural value of music in today s society and also reflects on the complicated relationship between the power of platforms and the agency of listeners

## **Consumer Behavior: Concepts and Applications** Cybellium, Bezonomics Brian Dumaine,2020-05-12 An easy and

engaging read Quite often though it is eye opening Hugo Rifkind The Times Does a valuable job of explaining how Amazon sees itself Financial Times Amazon is the business story of the decade Jeff Bezos the richest man on the planet has built one of the most efficient wealth creation machines in history Like a giant squid Amazon's tentacles are squeezing industry after industry and in the process upsetting the state of technology the economy job creation and society at large So pervasive is Amazon's impact that business leaders in almost every sector need to understand how this force of nature operates and how they can respond to it Saying you can ignore Jeff Bezos is equivalent to saying you could ignore Henry Ford or Steve Jobs in the early years of Ford and Apple These titans monumentally changed how we do business redefining the rules on a global scale Amazon founder Jeff Bezos is the new disruptor on the block He has created a 21st century algorithm for business and societal disruption He has turned the retail industry inside out is swiftly dominating cloud computing media and advertising and now has his sights trained on every other domain where money changes hands and business is transacted But the principles by which Bezos has achieved his dominance customer obsession extreme innovation and long term management all supported by artificial intelligence turning a virtuous cycle flywheel are now being borrowed and replicated Bezosomics is for some a goldmine for others a threat for still others a life shaping force whether they're in business or not Brian Dumaine's Bezosomics answers the fundamental question how are Amazon and its imitators affecting the way we live and what can we learn from them

*The Complete Guide to Paying for College* Leah Ingram, 2017-09-18 College costs are straining every family except the richest Most financial aid goes to the neediest families The middle class typically doesn't qualify for need based financial aid even though most can't afford to pay cash for college and their salaries haven't allowed them to save enough to cover all costs If these families are trying to put more than one child through college the challenges are exponential If you've been asking how your child can receive a quality education even though you can't pay today's college tuition out of pocket The Complete Guide to Paying for College is the answer This step by step guide includes actionable tips to save on education costs and the many living expenses room board books activities that apply to the first year and beyond Leah Ingram a money saving expert and parent of two college students reveals the insider tricks to pay for college including How to find bona fide scholarships not spam and scams Where parents can work to receive tuition benefits The pros and cons of earning college credits before graduating high school Which schools give out the most merit aid even if you're not a rocket scientist Paying for college just got a lot easier for millions of families
