Target Tehran Yonah Jeremy Bob, Ilan Evyatar, 2023-09-26 A Wall Street Journal Best Book of the Year Politics Winner of the Jewish Book Council's Natan Notable Book Prize One of the most accurate and fascinating books so far Michael Bar Zohar coauthor of Mossad about how Israel used sabotage assassination cyberwar and diplomacy to thwart Iran's development of nuclear weapons and in the process begin to reshape the Middle East Yonah Bob and Ilan Evyatar describe how Israel has used cyberwarfare targeted assassinations and sabotage of Iranian facilities to great effect sometimes in cooperation with the United States Even as it takes lethal action Israel has managed to alter the politics of the Middle East culminating in the Abraham Accords of 2020 Arab states such as Bahrain and the United Arab Emirates normalized relations with Israel and the holy grail of normalization with Saudi Arabia may yet be achieved Despite the war with Hamas these Arab states share Israel's concern with Iran remaining silent while Israel undermines Iran's nuclear program Bob and Evyatar reveal how Israel has used documents stolen from Tehran in a daring secret Mossad raid to show the United States and the International Atomic Energy Agency how Iran has repeatedly violated the 2015 JCPOA nuclear agreement and lied about its active nuclear weapons program Drawing from interviews with top confidential Israeli and US sources including from the Mossad and the CIA the authors tell the thrilling Lt Gen H R McMaster author of Battlegrounds inside story of the tumultuous and often bloody history of how Israel has managed to outmaneuver Iran so far Web Application Design

Patterns Pawan Vora, 2009-03-12 Ever notice that in spite of their pervasiveness designing web applications is still challenging While their benefits motivate their creation there are no well established guidelines for design This often results in inconsistent behaviors and appearances even among web applications created by the same company Design patterns for web applications similar in concept to those for web sites and software design offer an effective solution In Web Application Design Patterns Pawan Vora documents design patterns for web applications by not only identifying design solutions for user interaction problems but also by examining the rationale for their effectiveness and by presenting how they should be applied Design interfaces faster with a better rationale for the solutions you choose Learn from over more than 100 patterns with extensive annotation on use and extension Take a short cut into understanding the industry with more than 500 full color screenshots Applied Mergers and Acquisitions, University Edition Robert F. Bruner, 2004-03-22 A comprehensive guide to

the world of mergers and acquisitions Why do so many M A transactions fail And what drives the success of those deals that are consummated Robert Bruner explains that M A can be understood as a response by managers to forces of turbulence in their environment Despite the material failure rates of mergers and acquisitions those pulling the trigger on key strategic decisions can make them work if they spend great care and rigor in the development of their M A deals By addressing the key factors of M A success and failure Applied Mergers and Acquisitions can help readers do this Written by one of the foremost thinkers and educators in the field this invaluable resource teaches readers the art and science of M A valuation

deal negotiation and bargaining and provides a framework for considering tradeoffs in an effort to optimize the value of any M A deal

Make the Deal Christopher S. Harrison, 2016-01-21 A comprehensive introduction to today's M in practice it changes at the speed of light Staying ahead of the market is the single most critical element of making the best deal and the strategy that worked for one deal most likely won't work for the next Instead of simply providing a list of strategies that have worked in the past this book shows you why they worked so you can tailor your strategy specifically to your next deal Learn how M A contract terms affect economic outcomes Examine the techniques and mechanics of today's acquisition agreements Develop a legal framework that supports your business strategy Follow the ups and downs that arise in real world cases A successful M A transaction requires both attention to detail and a big picture view combined with skill intellect and ingenuity Make the Deal brings it all together to show you how to run the table and come away with a win
