

Mechanical Aptitude Test

The word mechanical means "pertaining to machine or mechanics: constructed according to the laws of mechanics: possessing mechanical talent: done by a machine."

In Mechanical Aptitude Test, a candidate has to display his mechanical worth. The candidate is given a booklet, which has got many different exercises. Usually, the candidate is asked either to write its answer or cross it in answer. Most of the questions of this test are very common which do not require any special mechanical aptitude of the candidate.

In this test, also, there is a large number of questions which are to be attempted in a limited fixed time. He must, therefore, be sharp enough to finish the work in time.

Example

Quality Interventions of RMSA in Guidance and Counselling Dr. Noora Abdul Kader, 2021-10-04 Guidance and counselling interventions are necessary in the present scenario for better adjustment in life. This book is identifying the need to provide effective guidance and counselling to secondary school students with substantial evidences. An overview of guidance and counselling techniques given in the book is informative and thought provoking. Rashtriyya Madhyamic Shiksha Abhiyan (RMSA) is recommending enough strategies to provide guidance and counselling to secondary school students. This book is making an attempt to analyze the reach of implementation of guidance and counselling services to secondary school students as per the guidelines of RMSA. A detailed description of RMSA guidelines and recommendations is given in the book. School is a miniature society where the students interact and build up their character and personality. This technetronic world is putting our younger generation in dilemmic situations of academic and personal life. They need a helping hand to get through all these situations to lead a better self sufficient life. The book is analyzing the role of head of the institutions and teachers in providing guidance and counselling to students. The data collected for the book is confined to Districts of Uttar Pradesh. Critical analysis of the guidance and counselling programmes given to the students is done by the author. It is the need of the hour to provide sensitization programmes for teachers and head of the institutions to get a hands on experience in providing guidance and counselling to the students. The results

revealed in the book after analysis give a clear picture of the present status of guidance and counselling programmes
