**Spy Dust** Antonio Mendez, Jonna Mendez, Bruce Henderson, 2003-09 From the author of the Golden Globe winner and Oscar nominated *Argo* a true life thriller set against the backdrop of the Cold War which unveils the life of an American spy from the inside and dramatically reveals how the CIA reestablished the upper hand over the KGB in the intelligence war From the author of the Golden Globe winner and Academy Award winner *Argo* Moscow 1988 The twilight of the Cold War The KGB is at its most ruthless and has now indisputably gained the upper hand over the CIA in the intelligence war But no one knows how Ten CIA agents and double agents have gone missing in the last three years They have either been executed or they are unaccounted for At Langley several theories circulate as to how the KGB seems suddenly to have become telepathic predicting the CIA s every move Some blame the defection of Edward Lee Howard three years before and

suspect that there are more high placed moles to be unearthed Others speculate that the KGB s surveillance successes have been heightened by the invention of an invisible electromagnetic powder that allows them to keep tabs on anyone who touches it spy dust CIA officers Tony Mendez and Jonna Goesser come together to head up a team of technical wizards and operational specialists determined to solve the mystery that threatens to overshadow the Cold War s final act Working against known and unknown hostile forces as well as some unfriendly elements within the CIA they devise controversial new operational methods and techniques to foil the KGB and show the extraordinary lengths that US intelligence is willing to go to protect a source then rescue him when his world starts to collapse At the same time Tony and Jonna find themselves falling deeply in love During a fascinating odyssey that began in Indochina fifteen years before and ends in a breathtakingly daring operation in the heart of the Kremlin s Palace of Congresses Spy Dust catapults the reader from the Hindu Kush to Hollywood from Havana to Moscow but cannot truly conclude until its protagonists are safely wedded in rural Maryland
