The best animal stories you never knew Cyrus Oh, 2024-08-01 Nearly half of the people in the world keep animals. From being close companions and work partners to being a source of food and inspiration, various kinds of animals have played many important roles throughout history. If you are an animal owner, this book will provide ways to better understand your pet and other animals. If not, it still offers you fun and rich stories, social conversation topics, and even business-related ideas. Through this easy and enjoyable book, step closer to the mysterious world of animals that many people cherish. *You Watched in Silence* H. Lee Justine, 2025-11-18 In this shivery blend of queer psychological thriller and horror, evocatively set in the secluded islands of the Pacific Northwest, *You Watched in Silence* combines the bite of *Jessica Knoll* with the twists of *Verity* and the atmospheric tension of *The Haunting of Bly Manor*. Caitlyn believes her world is falling apart when her best friend cuts her off until she gets a message from the only person who can put it back together. Family vlogger Bella Greene, the celebrity influencer, she and her ex best friend were obsessed with. Offers Caitlyn a job as nanny to her twins. Like millions of others, Caitlyn knows that Bella's life is in pieces too. Canceled over perceived indifference to a tragic suicide by one of her fans, Bella fled with her family to a remote island off the coast of Washington. For Caitlyn, the opportunity to help Bella will also help her to heal, a way to honor the past while creating a new future. Caitlyn can't believe how easily she bonds with the twins. She also feels an instant connection with the family's flirtatious chef Hannah Zhou, who soon stirs romantic impulses that Caitlyn never imagined having again. It feels like magic until she catches a glimpse of a mysterious girl that nobody else can see. Before she knows it, Caitlyn descends into constant terror, unable to tell if she is losing her mind or being haunted by a past she'd rather forget. Worse, there is magic here, a dark force that manifests in mysterious pentagrams, animal sacrifices, and scrawled threats right in Bella's backyard and increasingly close to her home. But who's behind it? Is it a disgruntled employee, a scorned lover, or someone out for unjust revenge because Bella didn't do anything wrong right? *180 Days of Self-Care for Busy Educators* Tina H.
