Robert L. Sexton, Colin C. Kovacs, Peter N.

Fortuna, 2023-01-20 Exploring Microeconomics Sixth Canadian Edition offers students a lively approach designed to take the intimidation out of economics. With its short self-contained learning units and its carefully chosen pedagogy, graphs and photos, this text helps students master and retain the basic principles of economics. In addition, the current events focus and modular format of presenting information makes Exploring Microeconomics very student accessible and user friendly. Robert Sexton's section-by-section approach is designed to encourage economic literacy and helps students appreciate how economics impacts both business and daily life. Sexton helps students build a solid understanding of economic principles by engaging them from the outset and providing them with multiple points of practice.

**Microeconomics** Arthur O'Sullivan, Steven M. Sheffrin, 2002-07 This modern book has a strong foundation in demand and supply. Its thoughtful coverage of change in demand vs. change in quantity demanded, also in supply coverage, enables learners to better visualize and truly understand the difference between these two fundamental concepts. Early coverage of comparative advantage and externalities reflects a more modern approach to teaching and understanding the underpinnings of microeconomics. A six-part organization covers an introduction and key principles, a closer look at supply and demand, market structures and pricing, spillovers and information, the labor market and economic challenges, and the international economy. For a thorough

understanding of the principles of macroeconomics     *Essentials of Economics* Bradley R. Schiller, 2007 Essentials of Economics is the market leader for the one semester survey course. In just about 400 pages it provides a solid introduction to the core concepts of economics with an emphasis on real world examples and current events. Essentials has earned its popular success because unlike other books on the market it is free of the abstract and complex theory that requires more time than this course allows. Instead the text is clean and concise with many examples of significance to students today including Headlines and Policy Perspectives that use current events to help illustrate the topics discussed. This real world policy emphasis is a distinctive feature of Schiller's text and is integral to its dominance of the survey text market.
