idea of this book is to help those interested in taking the NICET Fire Alarm Systems Level 1 examination prepare for the examination. The reason I decided to write these questions is because while preparing myself for the certification exam I found very little information guides or prep material. Alongside most answers, this publication also includes illustrations and pictures relevant to the question. The idea is to give a visual representation of the NFPA standard being presented. All pictures were captured by the author himself. All illustrations were created by the author himself.
