**and Nihilism** Colin Cavendish-Jones, 2025-03-14 Oscar Wilde and Nihilism examines Wilde's major works in the context of nineteenth century philosophical nihilism and the Victorian religious unsettlement. The book covers Wilde's plays, the fairy tales, *The Picture of Dorian Gray*, the critical writings, and *De Profundis* to show how Wilde's thinking about nihilism developed over the course of his career, profoundly influencing the tone and message of his work. Like Nietzsche, Wilde came to regard art as the only effective counterforce to the problem of nihilism, a uniquely consistent source of order and meaning in a godless universe. The book is intended for the general reader with an interest in nihilism, aesthetics, or Wilde, as well as for more specialist scholars. The aim is to provide the reader with the answers of an exceptionally brilliant and original intellect to the most compelling problem in philosophy: how to find meaning and purpose in life. **Vera, Or, The Nihilists**

Oscar Wilde, 2017-11-29 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did, decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. It is a melodramatic tragedy set in Russia and is loosely based on the life of Vera Zasulich. It was Wilde's first play and the first to be performed. In 1880, with only a few copies privately printed, arrangements were made with noted actresses for a production in the United Kingdom, but this never materialized. The first public performance was in New York City in 1883 at the Union Square Theatre, based on revisions made by Wilde while lecturing in America in 1882. The play was not a success and folded after only one week. It is rarely revived. At the time of writing, the reform-minded Tsar Alexander II was involved in a struggle with revolutionaries who sought to assassinate him and eventually succeeded. Though none of Wilde's characters correspond to actual Russian people of the time, the above situation was well known both to Wilde and to the audience for which he was writing. It has been

suggested that the plot was inspired by true events In 1878 three years before the play's completion Vera Zasulich shot the Governor of St Petersburg Trepov Wilde described himself as a Socialist although Ellmann describes his Socialism as more a general hatred of tyranny than a specific political belief Marie Prescott and her husband Mr Perzel purchased the rights to perform the play and she was the leading actress in its first performance at the Union Square Theatre Wilde travelled to America for the second time in his life specifically to oversee the production The play was withdrawn after one week Mr Perzel stated to newspapers the play is withdrawn simply because it did not pay citing that he had lost 2 500 on the piece the previous week He also implied that he had hoped Wilde himself would lecture between the acts allowing him to capitalise on Wilde's popularity as a public speaker Peter Sabouroff an Innkeeper Vera Sabouroff his Daughter Michael a Peasant Dmitri Sabouroff Colonel Kotemkin Ivan the Czar Prince Paul Maraloffski Prime Minister of Russia Prince Petrovitch Count Rouvaloff Marquis de Poivnard Baron Raff General Kotemkin A Page A Colonel of the Guard Peter Tchernavitch President of the Nihilists Michael Alexis Ivanacievitch known as a Student of Medicine Vera; Or, the Nihilists (1880).
