Nikon D5100 Reference Manual:

Nikon D5100 Rob Sylvan, 2011-07-17 Nikon's much anticipated D5100 camera is here. This new model replaces the popular D5000 and creates a nice bridge between the more beginner level D3100 and the high end D7000. This book has one goal: to teach D5100 owners how to make great shots using their new Nikon camera. Users learn how to use the D5100 to create the type of photos that inspired them to buy the camera in the first place. Everything in the book is in service of creating a great image. Starting with the top ten things users need to know about the camera, photographer Rob Sylvan carefully guides readers through the operating features. Owners get practical advice from a pro on which settings to use when great shooting tips and even end of chapter assignments. [Mastering the Nikon D800](#) Darrell Young, 2012-08-22 Mastering the Nikon D800 by Darrell Young provides a wealth of experience-based information and insights for owners of the new D800 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments, color illustrations, and detailed how-when-and-why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions while feeling as if a friend dropped in to share his knowledge. The learning experience for new D800 users goes beyond just the camera itself and covers basic photography technique. [Nikon D5500](#) Rob Sylvan, 2015-05-15 Now that you've bought the amazing Nikon D5500, you need a book that goes beyond a tour of the camera's features to show you exactly how to use the camera to take great pictures. With Nikon D5500 From Snapshots to Great Shots, you get the perfect blend of photography instruction and camera reference that will take your images to the next level. Beautifully illustrated with large, vibrant photos, this book teaches you how to take control of your photography to get the image you want every time you pick up the camera. Follow along with your friendly and knowledgeable guide, photographer Rob Sylvan, and you will learn the top ten things you need to know about shooting with the D5500. Master the photographic basics of composition, focus, and depth of field. Use the D5500's automatic scene and professional modes for more control over your images. Understand all the best tricks and techniques for getting great action shots, landscapes, and portraits. Find out how to get great photos in low light. Harness the power of enhanced video recording and capture beautiful moving images with the D5500. Fully grasp all the concepts and techniques as you go with assignments at the end of every chapter. And once you've got the shot, show it off. Are you tired of feeling overwhelmed every time you pick up your Nikon D5000? Do you scroll through complicated menus, stare at blurry photos and wonder why your images don't look anything like what you imagined? You're not alone and you don't have to stay stuck in Auto mode forever. This user-friendly guide is designed specifically for beginners who want to turn their Nikon D5000 into a powerful creative tool without getting lost in technical jargon. Instead of confusing terminology and dry explanations, you'll get clear step-by-step guidance in plain English that walks you through every essential feature and setting. From unboxing and first-time setup to mastering exposure, focus, and shooting modes, this book helps you understand why you're changing a setting, not just what to press. With practical examples, illustrated explanations, and real-world tips, you'll gain the confidence to take sharp, well-exposed and beautifully composed photos in any situation. If you've ever worried that you're not techy enough or that you bought the wrong camera, this guide will show you that your Nikon D5000 is more capable than you think and so are you. Don't wait until your next big event or trip to finally learn how to use it properly. Inside, you'll discover how to set up your Nikon D5000 correctly from day one to avoid common beginner mistakes. Understand key buttons, dials, and menus so you always know what you're changing and why. Choose the right shooting mode for portraits, landscapes, action, and low-light scenes. Master focus and exposure controls for sharper, brighter, and more professional-looking images. Use helpful features, tips, and illustrated examples to build confidence with every shot. If your memory card is full of almost good photos, this is your chance to turn things around. Every day you delay is another day you miss capturing moments the way you wish they looked. Take control of your Nikon D5000, stop guessing at your settings, and start shooting with purpose and confidence before your next important moment passes you by.
