Darrell Young,James Johnson,2009 Mastering the Nikon D700 provides a wealth of information and professional insights for  
owners of this powerful new camera Each chapter explores the features and capabilities of the D700 in detail surpassing  
basic user manuals by providing step by step menu setting adjustments coupled with illustrations and logical explanations for  
each option The authors writing style allows the reader to follow directions in a friendly and informative manner as if a friend  
dropped in to share his experienced knowledge without talking down to you explaining the how and the why The learning  
experience for D700 beginners and refresher information for professionals goes beyond the camera itself When camera  
features and options expand to additional Nikon equipment such as with the use of optional Speedlights the authors add the  
necessary information Their frequent references to user manuals provided by Nikon complete with specific page references  
allow the reader to easily navigate past the confusion factor that often comes with new equipment Mastering the Nikon D700
