Of Mice and Men by John Steinbeck (Book Analysis) Bright Summaries,2015-12-21 Unlock the more straightforward side of Of Mice and Men with this concise and insightful summary and analysis This engaging summary presents an analysis of Of Mice and Men by John Steinbeck which follows two ranch workers George and Lennie as they look for work in California during the Great Depression Like many of their contemporaries they dream of earning enough to buy their own farm and living a peaceful independent life but they soon find that the deck is stacked against them and that even the most well intentioned actions can have tragic consequences Of Mice and Men is arguably Steinbeck s most popular book and has inspired numerous adaptations across a range of mediums Steinbeck is best known for chronicling the hardship faced by itinerant workers in his native California and was awarded the Nobel Prize in Literature in 1962 for his realistic and imaginative writings combining sympathetic humour and keen social perception Find out everything you need to know about Of Mice and Men in a fraction of the time This in depth and informative reading guide brings you A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries com Available in print and digital format our publications are designed to accompany you on your reading journey The clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time See the very best of literature in a whole new light with BrightSummaries com

Using Discussion to Promote Reading Comprehension Donna E. Alvermann,Deborah R. Dillon,David G. O'Brien,1987 Drawing from observations of discussion in 24 different classrooms this book will provide preservice and inservice teachers at the middle and school levels with the motivation and knowledge to use discussion to foster student comprehension of content area text assignments The first chapter examines the distinctions between discussion and recitation and redefines major issues related to content area discussion in light of recent research and school reform reports The second chapter establishes a basis for the premise that discussion is important to the development of reading comprehension illustrating those skills that enrich or refine students understanding of text The third chapter uses portions of transcripts from videotaped content class discussions to illustrate how classroom context influences discussion practices Alternatives to teacher dominated discussions are described and guidelines are provided for establishing the rights and responsibilities of critical readers The fourth chapter demonstrates how to plan for classroom discussion of assigned material describing five aspects of the planning process The fifth chapter presents discussion strategies that help students master the content examine more than one side of the issue and evaluate alternative solutions to a text based problem while the sixth chapter analyzes one content area teacher s implementation of a preplanned discussion Finally the seventh chapter describes two procedures for informally evaluating classroom discussion used to promote reading comprehension References follow each chapter HTH
