## Nice Work David Lodge:

**Nice Work** David Lodge, 2011-05-02 When Vic Wilcox meets Dr Robyn Penrose sparks fly as their lifestyles and ideologies collide head on But in time both parties make some surprising discoveries about each other's worlds and about themselves

Nice Work David Lodge, 1989

**Nostalgic Postmodernism** Christian Gutleben, 2001 Why do so many contemporary British novels revert to the Victorian tradition in order to find a new source of inspiration What does it mean from an ideological point of view to build a modern form of art by resurrecting and recycling an art of the past From a formal point of view what are the aesthetic priorities established by these postmodernist novels Those are the main questions tackled by this study intended for anybody interested in the aesthetic and ideological evolution of very recent fiction What this analysis ultimately proposes is a reevaluation and a redefinition of postmodernism such as it is illustrated by the British novels which paradoxically both praise and mock honour and debunk imitate and subvert their Victorian models

Unashamedly opportunistic and deliberately exploiting the spirit of the time this late form of postmodernism cannibalizes and reshapes not only Victorianism but all the other previous aesthetic movements including early postmodernism

*Elements of Parody in David Lodge's "Nice Work"* Barbora Sramkova, 2005-01-28 Seminar paper from the year 1995 in the subject English Language and Literature Studies Literature grade 1.0 Technical University of Berlin course PS David Lodge language English abstract When thinking about David Lodge and parody Nice Work might not be the first novel that springs to mind This is because the generally accepted conception of parody is that of an imitation of a model text be it a particular piece of writing the style of an author or the literary modes of a particular period with the underlying intention of mocking and ironizing the target text According to this the natural association would be Lodge's *The British Museum is Falling Down* with a slight deviation as far as the author's intentions are concerned The concept of ridicule which can be traced in most of the parodies in the history of this genre since Aristophanes is not an inherent feature of parody The mockery does not always go at the expense of the text parodied as we can see in the case of *The British Museum is Falling Down* which is rather a homage to the background texts It is the issue of the ethos of parody which can be ironic ridiculing didactic or reverential This wide pragmatic range of parody results from the ambivalent meaning of the Greek word *para* which means both opposite and beside Linda Hutcheon suggests that it is this second neglected meaning of the prefix that broadens the pragmatic scope of parody in a way most helpful to discussions of modern art forms With this in mind I shall approach Nice Work along the lines of Daniel Ammann's definition of parody as an activation or flirtation with an intertext sustained over longer stretches as well as of Linda Hutcheon's statement that parody is a repetition with difference Defined thus broadly it meets my conception of Nice Work as a non standard parody By this I mean that it is not a homogeneous rewriting of an original with a difference of course as Jane Austen's *Northanger Abbey* is a parody of the Gothic novel neither is it a consistent mosaic of parodies mimicking the originals according to one principle as *The British Museum is Falling Down* does

and on that account it becomes a parody homogeneous on a higher level      Thinks... David Lodge, 2012-03-31 Ralph Messenger is a man who knows what he wants and generally gets it Approaching his fiftieth birthday he has good reason to feel pleased with himself As Director of the prestigious Holt Belling Centre for Cognitive Science at the University of Gloucester he is much in demand as a pundit on developments in artificial intelligence and the study of human consciousness the last frontier of scientific enquiry He enjoys an affluent life style subsidised by the wealth of his American wife Carrie Known to colleagues on the conference circuit as a womaniser and to Private Eye as a Media Dong he has reached a tacit understanding with Carrie to refrain from philandering in his own back yard This resolution is already weakening when he meets and is attracted to Helen Reed a distinguished novelist still grieving for the sudden death of her husband more than a year ago who has rented out her London house and taken up a post as writer in residence at Gloucester University partly to try and get over her bereavement Fascinated and challenged by a personality and a world view radically at odds with her own Helen is aroused by Ralph's bold advances but resists on moral principle The stand off between them is shattered by a series of events and discoveries that dramatically confirm the truth of Ralph's dictum We can never know for certain what another person is thinking      *English for Business Studies Student's Book* Ian MacKenzie, 2002-05-30 English for Business Studies is a course for upper intermediate and advanced level students who need to understand and discuss business and economic concepts      **Nice Work by David Lodge** Richard Johnson, 1991      **A David Lodge Trilogy** David Lodge, 1993 This volume brings together David Lodge's three brilliantly comic novels Changing Places Small World and Nice Work which revolve around the University of Rumbridge and the eventful lives of its role swapping academics      **The Campus Trilogy** David Lodge, 2011-10-04 A trio of dazzling novels in a comic mode that the author has now made completely his own a cause for celebration The New York Times Book Review David Lodge's three delightfully sophisticated campus novels now gathered together in one volume expose the world of academia at its best and its worst In Changing Places we meet Philip Swallow British lecturer in English at the University of Rumbridge and the flamboyant American Morris Zapp of Euphoric State University who participate in a professorial exchange program at the close of the tumultuous sixties Ten years later in Small World older but not noticeably wiser they are let loose on the international conference circuit along with a memorable and somewhat oversexed cast of dozens And in Nice Work the leftist feminist Dr Robyn Penrose at Rumbridge University is assigned to shadow the director of a local engineering firm sparking a collision of ideologies and lifestyles that seems unlikely to foster anything other than mutual antipathy      *Quite A Good Time to be Born* David Lodge, 2015-01-29 I drew my first breath on the 28th of January 1935 which was quite a good time for a future writer to be born in England The only child in a lower middle class London family David Lodge inherited his artistic genes from his musician father and his Catholic faith from his Irish Belgian mother Four years old when World War II began David grew to maturity through decades of great social and cultural change giving him plenty to write about Candid witty and insightful *Quite a Good Time to be Born*
