Luft, Shinsuke Tsuchiya, Masayuki Itomitsu, 2025-12-29 NihonGO NOW is a beginning level courseware package that takes a performed culture approach to learning Japanese. This innovative approach balances the need for an intellectual understanding of structural elements with multiple opportunities to experience the language within its cultural context. From the outset, learners are presented with samples of authentic language that are context sensitive and culturally coherent. Instructional time is used primarily to rehearse interactions that learners of Japanese are likely to encounter in the future, whether they involve speaking, listening, writing, or reading. Level 1 comprises two textbooks with accompanying activity books. These four books, in combination with audio files, allow instructors to adapt a beginning level course such as the first year of college Japanese to their students' needs. They focus on language and modeled behavior, providing opportunities for learners to acquire language through performance templates. Online resources provide additional support for both students and instructors. Audio files, videos, supplementary exercises, and a teachers' manual are available at <https://nihongonow.byu.edu>. This new edition includes additional Performance Practices and Tryouts and QR codes to access the audio materials. NihonGO NOW Level 1 Volume 2 Activity Book provides a wealth of communicative exercises and assessment tools for students working through the first semester of the NihonGO NOW course.

**Contemporary Japanese Textbook Volume 1** Eriko Sato, 2024-02-13. This Japanese language book contains 61 short lessons grouped into 14 chapters, each of which presents a wide variety of activities and exercises and yet is designed to be covered in a single session. This daily multivitamin approach to learning Japanese makes it easy to track your progress and to review later. Access to online audio recordings comes free with the book, providing native speaker recordings giving correct pronunciations for the dialogs and vocabulary in each lesson. Contemporary Japanese is a textbook series for beginning students of Japanese at the college or high school level. It is intended for classroom use as well as self study. Each lesson in the book is very short and has a single clearly defined objective. All lessons make use of the active discovery approach, which encourages rapid learning through guess and try, problem solving, and participation as opposed to rote memorization. This highly effective method uses real life conversations that make learning fun by involving you in a conversation with your peers. It also removes the fear of saying something wrong.

**Key Features of This Japanese language textbook include:** Basic sounds, words, phrases, and kana. Describing the property of people and things. Identifying things and people. Requesting Description. Expressing what you have. Using numbers and katakana. Talking about the past. Coming and going. Relating states and events. Describing daily life activities. Talking about the present. Location of people and things. Expressing the characteristics of people and things. Available separately is Contemporary Japanese Workbook Volume 1. This accompanying Japanese workbook serves as a supplementary material as well as a standalone comprehensive workbook for practicing and reviewing the language. Audio recordings containing drills, dialogs, and listening comprehension exercises for most activities accompany the workbook. All media content is alternatively accessible on the Tuttle Publishing website.
