

THE OUTSIDERS: DISCUSSION GUIDE #3

Encourage critical thinking and support your students' literary development by asking questions during reading. Here are some questions you can ask your readers to engage them in a discussion.

CHAPTERS 9-10

Comprehension:

- What does Ponyboy find before the rumble?
- There are different present signs that figure together in the rumble. How is Tom (Shepard's) gang different from Ponyboy's gang?
- What is Paul's lesson? What is the connection between him and Charly?
- What group wins the rumble?
- What are the effects of the injury Ponyboy suffers in the rumble?
- What happens when Charly learns about Johnny's death?

Text Analysis:

- Ponyboy understands that in his neighbourhood, "growing up... meant going up to the old people." However, the older think this will happen to him and Charly. Why doesn't Ponyboy like that? Is it because he is Ponyboy's parent that neither the man (Charly) will become "old people"?
- An **epitome** is a universal message expressed throughout a work of literature. Who are the people between Charly and Paul? How they respond the theme of possibility (between different social classes)?
- An **allusion** is an implied or indirect reference, especially in literature. Johnny's last words to Ponyboy are an allusion: "What does the say, and what does the mean by their allusion?"

Personal Connections:

- Ponyboy doesn't usually like fighting, and only thinks it's okay in cases of self-defense, but the book suggested to participate in the rumble anyway. Can you think of a situation in a movie, TV show, or real life where someone didn't want to do something, but did it anyway because they felt like they had to in order to be a good friend? Explain.
