Television Drama in the Age of Streaming Vilde Schanke Sundet, 2021-04-02 This book examines television drama in the age of streaming a time when television has been reshaped for national and international consumption via both linear flow and on demand user modes. It builds on an in depth study of the Norwegian public service broadcaster NRK and some of its game changing drama productions *Lilyhammer* *SKAM* *blank*. The book portrays the formative first decade of television streaming 2010-2019 how new streaming services and incumbent television providers intersect and act in a new drama landscape and how streaming impacts existing television production cultures publishing models and industry audience relations. The analysis draws on insight gained through more than a hundred interviews with television experts and fans hundreds of hours of observations and unique access to industry conferences meetings working documents and ratings. The book combines perspectives from production studies media industry studies and fan studies to inform its analysis.

The Cultural Legacy of Disney Robyn Muir, Emily Aguiló-Pérez, Hannah Helm, Rebecca Rowe, 2024-08-06 This book critically engages with the Walt Disney Company as a global media conglomerate as they mark their 100th year of business. It reflects on and looks forward to the past present and future of the company and the scholarly engagement surrounding it through three key areas. Disney as a Company Disney's Representations and Relating to Disney. Disney as a Company identifies the corporate and management cultural changes over Disney's 100 year history with contributors examining Disney's transnational media influence changes in management strategy and Disney's recent transmedia venture Disney. Disney's Representations features chapters critically engaging with gender, disability and iconic characters that imply cultural change. Relating to Disney embodies the crucial work examining how audiences engage with Disney with contributors exploring fashion, Disney Fandom and identity and how people engage with the space of the Parks. This edited collection explores the newer additions to the company but also reflects on the company's past over its 100 years. The chapters provide a diverse examination of the many facets of one of the most successful global media conglomerates providing scholars, students and interested audiences a global and interdisciplinary snapshot of the Walt Disney Company at 100 years.

Is it French?

Popular Postnational Screen Fiction from France Mary Harrod, Raphaëlle Moine, 2024-01-30 This book investigates the recently accelerated phenomenon of mainstream French film and serial television's remarkable popularity not only within but more novelly for European audiovisual narratives outside the domestic context. Treating changes that have taken place in France's production landscape during the mass rollout of global streaming platforms as revelatory of broader tendencies in media production and circulation in Europe and beyond, the collection explores emergent influential players Omar Sy, Camille Cottin, Alexandre Aja, and Fanny Herrero, companies such as Netflix and Gaumont, and new genres, identities, and representations on screen. It thus draws together a body of new research by international experts in French and European media production to analyse popular film and television series from France through a postnational lens with regards to both economic and institutional norms and to culture as a whole. Movie Maker, 1983 **Globalization and Media in the Digital Platform Age** Dal Yong Jin, 2019-09-02 Global media expert Dal Yong Jin examines the nexus of globalization, digital media, and contemporary popular culture in this empirically rich, student-friendly book. Offering an in-depth look at globalization processes, histories, texts, and state policies as they relate to the global media, Jin maps out the increasing role of digital platforms as they have shifted the contours of globalization. Case studies and examples focus on ubiquitous digital platforms including Facebook, YouTube, and Netflix in tandem with globalization so that the readers are able to apply diverse theoretical frameworks of globalization in different media milieus. Readers are taught core theoretical concepts which they should apply critically to a broad range of contemporary media policies, practices, movements, and technologies in different geographic regions of the world: North America, Europe, Africa, Latin America, and Asia, with a view to determining how they shape and are shaped by globalization. End-of-chapter discussion questions prompt further critical thinking and research. Students doing coursework in digital media, global media, international communication, and globalization will find this new textbook to be an essential introduction to how media have influenced a complex set of globalization processes in broad international and comparative contexts.
