Healthy diet metrics: a suitability assessment of indicators for global and national monitoring purposes Edward FRONGILLO, Jennifer COATES, Eric O VERGER, Mathilde SAVY, Yves MARTIN-PRÉVEL, Lynnette NEUFELD, Bridget HOLMES, Chika HAYASHI, Chris VOGLIANO, Kuntal SAHA, Elaine BORGHI, Francesco BRANCA, 2023-07-20 This report scientifically assesses the validity usefulness and fitness for purpose of existing healthy diet metrics for population assessment for global and national monitoring Existing healthy diet metrics were identified and critically assessed through a set of criteria for their use as global and national monitoring indicators After comparative evaluation three healthy diet metrics were identified as the most suitable for global and national monitoring The report highlights strengths and weaknesses for the existing healthy diet indicators Some may be suitable for simple data collection tools and short data collection time while other indicators may require complex quantitative dietary information lengthy data collection time and might need to confirm the validity in various contexts Some of them may only capture a limited number of the sub constructs of the construct of healthy diets The report underlines main knowledge gap regarding the population groups for which the metrics could be used whether these indicators were developed for a particular demographic and or socioeconomic groups and their ability to be used for other population groups The report also identifies key priority areas to further explore how these indicators could be used for more population groups and settings

Comprehensive School Physical Activity Programs Russell Carson, Collin A. Webster, 2019-03-12 Schools are the ideal place to promote and apply the recommended accumulation of 60 minutes of daily physical activity But until now it has been difficult to bridge the gap between research in this area and day to day practice in order to establish solid programs That's where Comprehensive School Physical Activity Programs Putting Research Into Evidence Based Practice comes in CSPAP Model Brought to Life The comprehensive school physical activity program CSPAP model originally outlined as a 2008 position statement by the National Association for Sport and Physical Education to promote physical activity throughout K 12 is brought to life through this comprehensive all in one resource In the decade since that position statement CSPAP has been spreading through numerous initiatives which have mobilized a CSPAP field of study and a national framework for physical activity and physical education CSPAP acts as a hub supporting physical activity through multiple components that can include physical education physical activity before during and after school staff involvement and family and community engagement Moreover each CSPAP component can serve to strengthen and reinforce the academic goals of physical education Accommodates Needs of Diverse Audiences Comprehensive School Physical Activity Programs published in association with SHAPE America accommodates the growing needs of academic researchers school practitioners district coordinators educators advocates organizations university faculty and students who want to learn more about CSPAP or undertake ways to increase daily physical activity opportunities in and around schools The Text's Strengths This text does all of the following and more Synthesizes all the foundational and

emerging research theory and practice on CSPAP Synthesizes all the foundational and emerging research theory and practice on CSPAP Provides a higher and deeper level look at the CSPAP model as opposed to short reports and position papers which contain limited strategies for schools Offers much more in depth coverage of the CSPAP model by delving into assessment evaluation advocacy policy partnerships international perspectives technology and more Diverse and Renowned Team of Contributors Comprehensive School Physical Activity Programs was written by a diverse team of pioneers and leaders in the CSPAP field This team brings national and international perspectives on all aspects related to implementing and maintaining CSPAP in K 12 schools These recognized experts provide incisive guidance in and understanding of the most prominent concepts issues and developments in the field Book Organization The text is organized into six sections Part I provides the historical and foundational perspectives and policy landscapes of the CSPAP approach Part II outlines internal external and psychological factors to consider in program design implementation and sustainability In part III the contributors examine and interpret the research on the effectiveness of established programs and previous interventions Part IV highlights special considerations for effective programming within urban and rural settings reviews current and ongoing international CSPAP initiatives and addresses the application of the model to alternative contexts beyond the K 12 school setting In part V the contributors focus on using assessments to determine the physical activity promotion needs of a school community on the instruments and procedures for measuring school wide programming and on the processes for evaluating and advocating for CSPAPs Part VI examines current reform efforts within preprofessional programs in teacher education reviews the tools and future potential for using technology to deliver and assess CSPAP efforts and looks at future directions for the disciplines of study that inform the CSPAP knowledge base Each chapter uses a format that opens with a review of current research offers knowledge claims based on the research notes knowledge gaps and directions for future research offers evidence based recommendations and applications and concludes with questions to consider for discussion and case examples to demonstrate the practical recommendations An Invaluable Resource The rapid growth of the field and the increasing number of diverse and exceptional scholars many of whom are contributors to this book are indications of the need for this resource Comprehensive School Physical Activity Programs offers unique perspectives about how to generate and sustain successful initiatives to increase youth physical activity and promote long term engagement in active behavior It provides access to leading thought invaluable tools and challenging questions that will propel the CSPAP field to its next level of depth and clarity Human Kinetics is proud to publish this book in association with SHAPE America the national organization that defines excellence for school based health and physical education professionals across the United States

The Young Adult's Guide to Robert's Rules of Order Hannah Litwiller, 2016-11-30 Approximately 95 percent of all clubs organizations and governments in the United States practice Robert's Rules of Order However these rules were written almost 150 years ago This book brings a seemingly outdated guide into the 21st century by focusing on the role of technology

and the internet in your club or organization This book will teach you everything you need to know about how to run an effective meeting You ll learn about different kinds of meetings how to plan efficiently and even how to determine if your meeting was awesome You will also learn about the traditional book Robert s Rules of Order which is explained in an easy to read way no age restrictions here This book will serve as your guide to conducting orderly and fair meetings in the 21st century
